**Proclaiming Shalom** Philip A. Cunningham,1995 Proclaiming Shalom is a collection of introductory remarks to be made before the proclamation of the readings at Sunday worship Proclaiming Shalom frames the Scripture readings in ways that promote an accurate understanding of Christianity's Jewish roots and of the traditions of Judaism They also describe the historical contexts of the readings thereby helping to illumine the scripture's message An Introduction to Jewish-Christian Relations Edward Kessler,2010-02-18 Relations between Christians and Jews over the past two thousand years have been characterised to a great extent by mutual distrust and by Christian discrimination and violence against Jews In recent decades however a new spirit of dialogue has been emerging beginning with an awakening among Christians of the Jewish origins of Christianity and encouraging scholars of both traditions to work together An Introduction to Jewish Christian Relations sheds fresh light on this ongoing interfaith encounter exploring key writings and themes in Jewish Christian history from the Jewish context of the New Testament to major events of modern times including the rise of ecumenism the horrors of the Holocaust and the creation of the state of Israel This accessible theological and historical study also touches on numerous related areas such as Jewish and interfaith studies philosophy sociology cultural studies international relations and the political sciences **Seeking Shalom** Philip A. Cunningham,2015-10-02 The amazing historic journey of Jews and Christians coming together In this book Philip Cunningham traces the remarkable developments in Catholic Jewish relations over the last fifty years Centuries of antipathy and suspicion Cunningham says have largely given way to a new mutually enriching relationship between the two traditions of Judaism and Catholicism A specialist in Christian Jewish relations Cunningham recounts the amazing historic journey of Jews and Christians coming together in light of both Scripture and theology covering the period from Vatican II up to the present day After fifty years of significant dialogue Cunningham suggests Catholics and Jews are now on the threshold of building true shalom between their two communities experiencing the Holy One anew in each other's distinctive and edifying ways of walking with God A Story of Shalom Philip A. Cunningham,2001 Stimulus Books are volumes co sponsored by the Stimulus Foundation and Paulist Press that deal with topics of vital interest to the Jewish Christian dialogue This latest Stimulus Book A Story of Shalom is in the words of the author an experiment In it he takes the dawn of the millennium as an opportunity to retell the Christian story the origins of the church its purposes its doings over the centuries and its goals for the future in a way that envisions a positive relationship between the Christian and Jewish peoples He rejects the old story of creation as supersessionist believing that Christianity has replaced Judaism as God's chosen people And he tells the Christian story in a way that promotes Shalom by affirming Judaism's covenant with God and the validity of Jewish self understanding **Jews and Christians Together** Christian van Gorder,Gordon Fuller,2020-08-06 Rabbi Gordon Fuller and Dr Christian van Gorder are committed to helping people of both faith traditions gain as far as is possible a participant's appreciation of those from the other community This

means addressing misconceptions and misrepresentations as well as challenging widely held assumptions Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other Events such as the attack on the Tree of Life Synagogue in Pittsburgh Pennsylvania demonstrate why society must address and foil anti Semitism and anti Judaism wherever and whenever such views appear The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting point to confront trends of increasing hate and bigotry towards Jews today Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti Semitism so that we can explore healthy Jewish Christian dialogue and gain a shared and constructive mutual respect Sharing the Scriptures Philip A. Cunningham,2003 Explores the proper relationship between the Old and New Testaments both in the history of the growth of the Bible as a combined book and in its use in the liturgical texts of the Christian churches **Opening the Covenant** Michael S. Kogan,2008 Michael Kogan delves deeply into the theologies of Christianity and Judaism to locate the precise points of difference and convergence He sees Christianity as the breaking open of the original Covenant to include gentile peoples God has brought this about Kogan argues through Jesus and his interpreters **Celebrating the Mass** Gerald Darring,2010-05-01 The Mass is not a private service but rather the community celebration of God's work in a world that is broken through tragedy and injustice Darring takes the reader on a journey through the Mass using personal encounters which have impacted his life The result is a unique experience of the social justice impact of celebrating the Mass
