*Roman Holiday* Upton Sinclair, 1931      **Runaway Hollywood** Daniel Steinhart, 2019-02-12 After World War II as cultural and industry changes were reshaping Hollywood movie studios shifted some production activities overseas capitalizing on frozen foreign earnings cheap labor and appealing locations Hollywood unions called the phenomenon runaway production to underscore the outsourcing of employment opportunities Examining this period of transition from the late 1940s to the early 1960s *Runaway Hollywood* shows how film companies exported production around the world and the effect this conversion had on industry practices and visual style In this fascinating account Daniel Steinhart uses an array of historical materials to trace the industry's creation of a more international production operation that merged filmmaking practices from Hollywood and abroad to produce movies with a greater global scope      **Roman Holiday** a. a De vitis, 1971      *Roman Holiday* Caroline Young, 2018-02-01 Rome in the 1950s following the darkness of fascism and Nazi occupation during the Second World War the city is reinvigorated The street cafés and nightclubs are filled with movie stars and film directors as Hollywood productions flock to the city to film at Cinecitt Studios Fiats and Vespas throng the streets and the newly christened paparazzi mingle with tourists enjoying la dolce vita It is a time of beauty glamour and more than a little scandal Caroline Young explores the city in its golden age as the emergence of celebrity journalism gave rise to a new kind of megastar They are the ultimate film icons Ava Gardner Anna Magnani Sophia Loren Audrey Hepburn Ingrid Bergman and Elizabeth Taylor Set against the backdrop of the stunning Italian capital the story follows their lives and loves on and off the camera and the great now legendary films that marked their journeys From the dark days of the Second World War through to the hedonistic hippies in the late 1960s this evocative narrative captures the essence of Rome its beauty its tragedy and its creativity through the lives of those who helped to recreate it      **A Wonderful Heart** Neil Sinyard, 2013-09-09 Revered by his cinematic peers William Wyler 1902-1981 was one of the most honored and successful directors of Hollywood's Golden Age with such classics as *Dead End* *Wuthering Heights* *The Little Foxes* *Roman Holiday* and *Ben Hur* He won three directing Oscars and elicited over a dozen Oscar winning performances from his actors Such exacting performers as Bette Davis Laurence Olivier and Charlton Heston counted him the best director they had worked with Yet during the era of the auteur theory his films fell out of fashion lacking it was said a distinctive stylistic and thematic signature This new critical study of Wyler's work the first in more than thirty years challenges the notion of Wyler's impersonality and offers a comprehensive reappraisal of his work particularly of the underrated postwar films It also provides a rebuttal of the auteurist criticism whose rigid categorization of directors cannot adequately encompass the range of someone like Wyler who put substance above style and had a breadth of human understanding that was not reducible to a cluster of characteristic themes Supported by archival research in Los Angeles the book traces the important milestones in Wyler's career the context of his films the importance of legendary producer Sam Goldwyn his distinguished war record and his principled opposition to

blacklisting during the McCarthy era      *Cinematic Cold War* Tony Shaw, Denise J. Youngblood, 2014-08-15 The Cold War was as much a battle of ideas as a series of military and diplomatic confrontations and movies were a prime battleground for this cultural combat As Tony Shaw and Denise Youngblood show Hollywood sought to export American ideals in movies like Rambo and the Soviet film industry fought back by showcasing Communist ideals in a positive light primarily for their own citizens The two camps traded cinematic blows for more than four decades The first book length comparative survey of cinema's vital role in disseminating Cold War ideologies Shaw and Youngblood's study focuses on ten films five American and five Soviet that in both obvious and subtle ways provided a crucial outlet for the global debate between democratic and communist ideologies For each nation the authors outline industry leaders structure audiences politics and international reach and explore the varied relationships linking each film industry to its respective government They then present five comparative case studies each pairing an American with a Soviet film Man on a Tightrope with The Meeting on the Elbe Roman Holiday with Spring on Zarechnaya Street Fail Safe with Nine Days in One Year Bananas with Officers Rambo First Blood Part II with Incident at Map Grid 36 80 Shaw breathes new life into familiar American films by Elia Kazan and Woody Allen while Youngblood helps readers comprehend Soviet films most have never seen Collectively their commentaries track the Cold War in its entirety from its formative phase through periods of thaw and self doubt to the resurgence of mutual animosity during the Reagan years and enable readers to identify competing core propaganda themes such as decadence versus morality technology versus humanity and freedom versus authority As the authors show such themes blurred notions regarding propaganda and entertainment terms that were often interchangeable and mutually reinforcing during the Cold War Featuring engaging commentary and evocative images from the films discussed *Cinematic Cold War* offers a shrewd analysis of how the silver screen functioned on both sides of the Iron Curtain As such it should have great appeal for anyone interested in the Cold War or the cinematic arts      **Audrey Hepburn** Michael Heatley, 2017-05-01 Through discussions of her films charity work reminiscences from friends and photographs of her looks over the years Audrey Hepburn reveals the woman and the icon Nearly two decades after her final film appearance film star style icon and humanitarian Audrey Hepburn continues to captivate the world with her beauty grace image and activism One of the most successful and popular actresses in the world some of the greatest leading men in Hollywood shared the screen with Audrey She was also one of the first activist stars as the public face of UNICEF for over twenty years Yet her life was not a complete fairy tale She endured early life in Nazi occupied Netherlands and saw many children her own age shipped off to concentration camps She suffered miscarriages and failed marriages yet throughout maintained her grace and dignity as a public figure Audrey Hepburn explores her amazing life with a special focus on her iconic films and fashion styles      **Audrey Hepburn** Tom
