**Palestine from 70 C.E. to 135 C.E.** Junghwa Choi, 2013-07-15 Reconstructing Jewish socio political leadership of the late Second Temple and Talmudic periods this book suggests that the period between two great revolts is the best period to study leadership dynamics Prior to the emergence of the rabbinic leadership biblically modelled leadership was still a realistic option often co existing with non biblical polity It also attempts to reconstruct the Jewish socio political leadership of this period by examining how consistently the ideas of leadership that were available before 70 C E were followed after 70 C E

**The Historical and Institutional Context of Roman Law** George Mousourakis, 2017-03-02 Roman law forms an important part of the intellectual background of many legal systems currently in force in continental Europe Latin America and other parts of the world This book traces the historical development of Roman law from the earliest period of Roman history up to and including Justinian's codification in the sixth century AD It examines the nature of the sources of law forms of legal procedure the mechanisms by which legal judgments were put into effect the development of legal science and the role of the jurists in shaping the law The final chapter of the book outlines the history of Roman law during the Middle Ages and discusses the way in which Roman law furnished the basis of the civil law systems of continental Europe The book combines

the perspectives of legal history with those of social political and economic history Special attention is given to the political development of the Roman society and to the historical events and socio economic factors that influenced the growth and progress of the law Designed to provide a general introduction to the history of Roman law this book will appeal to law students whose course of studies includes Roman law legal history and comparative law It will also prove of value to students and scholars interested in ancient history and classics

*Commanders and Command in the Roman Republic and Early Empire* Fred K. Drogula, 2015-04-13 In this work Fred Drogula studies the development of Roman provincial command using the terms and concepts of the Romans themselves as reference points Beginning in the earliest years of the republic Drogula argues provincial command was not a uniform concept fixed in positive law but rather a dynamic set of ideas shaped by traditional practice Therefore as the Roman state grew concepts of authority control over territory and military power underwent continual transformation This adaptability was a tremendous resource for the Romans since it enabled them to respond to new military challenges in effective ways But it was also a source of conflict over the roles and definitions of power The rise of popular politics in the late republic enabled men like Pompey and Caesar to use their considerable influence to manipulate the flexible traditions of military command for their own advantage Later Augustus used nominal provincial commands to appease the senate even as he concentrated military and governing power under his own control by claiming supreme rule In doing so he laid the groundwork for the early empire's rules of command

**La pathologie du pouvoir: vices, crimes et délits des gouvernants** Patrick Gilli, 2016-02-02 La singularité de la criminalité des gouvernants ou de leurs actes peccamineux réside dans la rareté des condamnations qu'ils ont subies En examinant sur la longue durée les formes de dénonciation de ces délits des hommes de pouvoir le livre essaie de comprendre les raisons qui aboutissent à la rupture du consensus et la remise en cause de l'acceptation sociale des traditions jusqu'alors tolérées corruption extorsion abus en tout genre Les différentes contributions examinent les conditions de ces condamnations morales et politiques et dessinent un tableau nuancé de ces pathologies du pouvoir qui loin d'être invariables dans le temps sont articulées aux paradigmes moraux

de chaque soci t  historique Les contributeurs sont Nathalie Barrandon Anne Catherine Baudoin Franck Collard Kathleen Crowther Angela De Benedictis Silvia Di Paolo Julien Dubouloz Patrick Gilli Cedric Giraud Thomas Granier Laurent Guitton Charles Guerin Corinne Manchio Nancy McLoughin H l ne M nard Richard Newhauser Flocel Sabat Armand Strubel Julien Th ry et Silvana Vecchio English What is singular about the criminality of rulers or their sinful acts is how rarely they are convicted Through a long term study of the forms of denunciation of crimes committed by those who hold power this book tries to understand the reasons that lead to breaking the consensus and calling into question the social acceptance of traditions which had hitherto been tolerated corruption extortion different types of abuse The various contributions investigate the moral and political conditions of these convictions and give a well balanced account of these pathologies of power far from being invariable over time they are consistent with the moral paradigms of each society in history Herod and Augustus David M. Jacobson, Nikos Kokkinos, 2009 Nineteen studies illuminating Herod's role in the Augustan client network and his remarkable achievements as expressed in his extensive building programme Josephus record is examined here in the light of the available documentary and archaeological evidence Revaluing Roman Cyprus Ersin Hussein, 2021 Revaluing Roman Cyprus provides an examination of the history of Roman Cyprus and its place in the Roman Empire Hussein shows that Cyprus was an active site of Roman political culture and an important crossroads in the eastern Mediterranean

**The Construct of Identity in Hellenistic Judaism** Erich S. Gruen, 2016-09-12 This book collects twenty two previously published essays and one new one by Erich S Gruen who has written extensively on the literature and history of early Judaism and the experience of the Jews in the Greco Roman world His many articles on this subject have however appeared mostly in conference volumes and Festschriften and have therefore not had wide circulation By putting them together in a single work this will bring the essays to the attention of a much broader scholarly readership and make them more readily available to students in the fields of ancient history and early Judaism The pieces are quite varied but develop a number of connected and related themes Jewish identity in the pagan world the literary representations by Jews and pagans of one another the interconnections of Hellenism and Judaism and the Jewish experience under Hellenistic monarchies and the Roman empire **How Republics Die** Frederik Juliaan Vervaeke, David Rafferty, Christopher J. Dart, 2025-05-19

Authoritarianism is everywhere on the advance democracies seem fragile and threatened We console ourselves that where rule by the people has long established itself it has never collapsed from internal causes Except it did once in Rome This book gathers together Roman historians with political scientists and scholars of other periods of authoritarian takeover to explore how open and democratic political systems have historically fallen prey to autocrats The Late Roman Republic is the main focus with a mix of large scale thematic and analytical chapters paired with more detailed case studies from some of the leading scholars in the field Other chapters widen the scope analysing comparable cases from ancient Athens to Napoleon to Hitler's Germany and Franco's Spain The book as a whole draws on contemporary political science scholarship on democratic

decay and competitive authoritarianism It shows that these concepts are not only applicable to modern states but that we can properly use them to study past democratic collapses as well This provides the tools for a more historically informed understanding of how republics die as part of a renewed conversation between historians and political scientists *The Romans* Karl Christ,1984 *An Introduction to the Ancient World* Lukas de Blois,R. J. van der Spek,1997 This lavishly illustrated introductory history covers 3 000 years of the ancient Near East Greece and Rome within the framework of a short narrative history of events Focusing mainly on the social political and cultural processes which have influenced later western civilizations An Introduction to the Ancient World considers subjects such as the religions of the ancient Near East Athenian democracy the interaction of cultures in the Hellenistic world the political and administrative system of the Roman republic and empire gender problems and ancient demography This book shows how the Near East Greece and Rome witnessed the emergence of city and state government the development of decision processes expansion and the effects of social structures interaction of different cultures and the emergence of Judaism and Christianity Anyone interested in ancient history classics and archaeology will need this accessible and comprehensive book **Localized Law** Kimberley Czajkowski,2017 Localized Law examines the legal archives of Babatha and Salome Komaise which offer a window onto the practice of law in Maoza as it came under the control of the Roman Empire A series of case studies of the various agents involved in the legal transactions illuminates the legal culture of this community and its practice of law and justice *Persecution in 1 Peter* Travis B. Williams,2012-11-01 In *Persecution in 1 Peter* Travis B Williams offers a comprehensive and detailed socio historical investigation into the nature of suffering in 1 Peter While interpreters commonly portray the conflict situation addressed by the epistle as unofficial persecution consisting of discrimination and verbal abuse Williams demonstrates the inadequacy of this modern consensus by situating the letter against the backdrop of conflict management in first century CE Asia Minor Drawing on a wide range of historical evidence and on modern social psychological perspectives this work reconstructs the conflict situation of the Anatolian audience and offers important insights regarding the legal culpability of Christians following the Neronian persecution the roles of local and provincial authorities in the judicial process and the variegated conflict experiences of different socio economic groups within the Christian communities **The Roman Empire** James W. Eder,2018-05-01 Covering material from the time of Julius Caesar to the sack of Rome this topically arranged reference set provides substantive entries on people cities government institutions military developments material culture and other topics related to the Roman Empire The Roman Empire was one of the greatest and most influential forces of the ancient world and many of its achievements endure in one form or another to this day Because of its geographic breadth cultural diversity and overall complexity it is also one of the most difficult organizations to understand This book focuses on the Roman Empire from the time of Julius Caesar to the sack of Rome While most references on the Roman world provide a series of alphabetically arranged entries this work is organized in broad topical chapters on government and

politics administration individuals groups and organizations places events military developments and objects and artifacts Each section provides 20 to 30 substantive entries along with an overview essay The work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources
