poetry From Callimachus Hymns to the Odes of Horace poets of this era repeatedly challenge readers by beckoning them to explore fictive spaces which are at once familiar and otherworldly realms of the imagination which are nevertheless firmly rooted in the lived reality of the poets and their contemporaries We too when we read these poems may feel simultaneously a sense of being transported to a world apart and of being seized upon by the poem's address in the here and now of reading The fiction of occasion is proposed as a new conceptual tool for understanding how these poems produce such problematic presences and what varieties of experience they make possible for their readers The fiction of occasion is defined as a phenomenon whereby a poem is fictionally framed as part of a material event or occasion with which the reader is invited to engage through the medium of the senses The book explores this concept through close readings of key authors from the corpus of first person poetry written in Greek and Latin between the 3rd century BCE and the 1st century CE with a focus on Callimachus Bion Catullus Propertius and Horace The ultimate purpose of these readings is to move towards developing a new vocabulary for conceptualising ancient poetry as an embodied experience **Roman Poems** Pier Paolo

Pasolini, Lawrence Ferlinghetti, 1986 The Italian film maker Pier Paolo Pasolini was first and always a poet the most important civil poet according to Alberto Moravia in Italy in the second half of this century His poems were at once deeply personal and passionately engaged in the political turmoil of his country In 1949 after his homosexuality led the Italian Communist Party to expel him on charges of moral and political unworthiness Pasolini fled to Rome This selection of poems from his early impoverished days on the outskirts of Rome to his last with a backward longing glance at his native Frill is at the center of his poetic and filmic vision of modern Italian life as an Inferno Pier Paolo Pasolini was born in 1922 in Bologna In addition to the films for which he is world famous he wrote novels poetry and social and cultural criticism He was murdered in 1975
