

## ROMANCE POEMS

- When I Have Fears

When I have fears that I may cease to be  
Before my pen has glean'd my teeming brain

- Romance

Romance, who loves to nod and sing,  
With drowsy head and folded wing,

- Beautiful!

Honesty is beautiful  
Kindness is beautiful

- The New Moon

What have you got in your knapsack fair,  
White moon, bright moon, pearling the air,

- The First Love

Let's go hand in hand to a strange spot  
Secretly, stealthily, without paying heed

- A Hug

Biology invigorated by Chemistry and empowered by  
Geography infuses us with a plethora of poignant...

- 4ever My Friend (C) 3-29-2007

4ever my friend you will always be  
And you'll always be the number 1 girl to me

- From On Being Fired Again

I've known the pleasures of being  
fired at least eleven times—

different ways because culture has an impact on people's conceptions of love and the ways they feel, think and behave in romantic relationships. This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field. Divided into three parts, the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context. Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history. Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world, focusing particularly on the development of romantic love as a cultural ideal of the modern cultures. Finally, the book concludes by summarizing the major achievements in this field of study and predicts future development. A timely and thoughtful addition to the literature, *Romantic Love in Cultural Contexts* delivers thought provoking insights to researchers in relationship scholarship, sociology, anthropology and cultural studies and all those interested in the universal human concept of love. Overall, I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology. In our increasingly connected world, *Romantic Love in Cultural Contexts* updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures. Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years. The topic of this project concerns the deepest of our sentiments and pervades life from birth to death. This book contributes to better knowledge of this phenomenon across generations.
