

# THE ROMANCE OF REUNION

Northerners and the South, 1865-1900

*Vina Silber*

# Romance Of Reunion Northerners And The South 1865 19

**Kenneth S. Greenberg**

## **Romance Of Reunion Northerners And The South 1865 19:**

**The Romance of Reunion** Nina Silber, 2000-11-09 The reconciliation of North and South following the Civil War depended as much on cultural imagination as on the politics of Reconstruction Drawing on a wide range of sources Nina Silber documents the transformation from hostile sectionalism to sentimental reunion rhetoric Northern culture created a notion of reconciliation that romanticized and feminized southern society In tourist accounts novels minstrel shows and popular magazines northerners contributed to a mythic and nostalgic picture of the South that served to counter their anxieties regarding the breakdown of class and gender roles in Gilded Age America Indeed for many Yankees the ultimate symbol of the reunion process and one that served to reinforce Victorian values as well as northern hegemony was the marriage of a northern man and a southern woman Southern men also were represented as affirming traditional gender roles As northern men wrestled with their nation's increasingly global and aggressive foreign policy the military virtues extolled in Confederate legend became more admired than reviled By the 1890s concludes Silber northern whites had accepted not only a newly resplendent image of Dixie but also a sentimentalized view of postwar reunion

**Gender and the Sectional Conflict** Nina Silber, 2015-12-01 In an insightful exploration of gender relations during the Civil War Nina Silber compares broad ideological constructions of masculinity and femininity among Northerners and Southerners She argues that attitudes about gender shaped the experiences of the Civil War's participants including how soldiers and their female kin thought about their causes and obligations in wartime Despite important similarities says Silber differing gender ideologies shaped the way each side viewed participation in and remembered the war Silber finds that rhetoric on both sides connected soldiers' reasons for fighting to the women left at home Consequently although in different ways women on both sides took up new roles to advance the wartime agenda At the same time both Northern and Southern women were accused of waning patriotism as the war dragged on but their responses to such charges differed Finally noting that our postwar memories are often dominated by images of Southern belles Silber considers why Northern women despite their heroic contributions to the Union cause have faded from Civil War memory Silber's investigation offers a new understanding of how Unionists and Confederates perceived their reasons for fighting of the new attitudes and experiences that women black and white on both sides took up and of the very different ways that Northern and Southern women were remembered after the war ended

**Southern Queen** Thomas Ruys Smith, 2011-08-04 An accessible and entertaining look at this crucible period in the life of one of America's most distinctive cities

**The War Went On** Brian Matthew Jordan, Evan C. Rothman, 2020-04-01 In recent years Civil War veterans have emerged from historical obscurity Inspired by recent interest in memory studies and energized by the ongoing neorevisionist turn a vibrant new literature has given the lie to the once obligatory lament that the postbellum lives of Civil War soldiers were irretrievable Despite this flood of historical scholarship fundamental questions about the essential character of Civil War veteranhood remain unanswered Moreover because work on veterans has often proceeded

from a preoccupation with cultural memory the Civil War's ex soldiers have typically been analyzed as either symbols or producers of texts In *The War Went On: Reconsidering the Lives of Civil War Veterans* fifteen of the field's top scholars provide a more nuanced and intimate look at the lives and experiences of these former soldiers Essays in this collection approach Civil War veterans from oblique angles including theater political and disability history as well as borderlands and memory studies Contributors examine the lives of Union and Confederate veterans African American veterans former prisoners of war amputees and ex guerrilla fighters They also consider postwar political elections veterans business dealings and even literary contests between onetime enemies and among former comrades

*Creating the Land of the Sky* Richard D. Starnes, 2010-03-12 A sophisticated inquiry into tourism's social and economic power across the South In the early 19th century planter families from South Carolina Georgia and eastern North Carolina left their low country estates during the summer to relocate their households to vacation homes in the mountains of western North Carolina Those unable to afford the expense of a second home relaxed at the hotels that emerged to meet their needs This early tourist activity set the stage for tourism to become the region's New South industry After 1865 the development of railroads and the burgeoning consumer culture led to the expansion of tourism across the whole region Richard Starnes argues that western North Carolina benefited from the romanticized image of Appalachia in the post Civil War American consciousness This image transformed the southern highlands into an exotic travel destination a place where both climate and culture offered visitors a myriad of diversions This depiction was further bolstered by partnerships between state and federal agencies local boosters and outside developers to create the attractions necessary to lure tourists to the region As tourism grew so did the tension between leaders in the industry and local residents The commodification of regional culture low wage tourism jobs inflated land prices and negative personal experiences bred no small degree of animosity among mountain residents toward visitors Starnes's study provides a better understanding of the significant role that tourism played in shaping communities across the South

*The Civil War in Popular Culture* Randal Allred, 2014-01-14 An important read for anyone trying to sort through the current social and political controversy over the question of how do we memorialize the Civil War Strategy Page Dividing the nation for four years the American Civil War resulted in 750 000 casualties and forever changed the country's destiny The conflict continues to resonate in our collective memory and U S economic cultural and social structures still suffer the aftershocks of the nation's largest and most devastating war Over a century and a half later portrayals of the war in books songs cinema and other cultural media continue to draw widespread attention and controversy In *The Civil War in Popular Culture: Memory and Meaning* editors Lawrence A Kreiser Jr and Randal Allred analyze American depictions of the war across a variety of mediums from books and film to monuments and battlefield reunions to reenactments and board games This collection examines how battle strategies famous generals and the nuances of Civil War politics translate into contemporary popular culture This unique analysis assesses the intersection of the Civil War and popular culture by

recognizing how memories and commemorations of the war have changed since it ended in 1865      *A Kingdom Divided*  
April E. Holm, 2017-12-11 *A Kingdom Divided* Evangelicals Loyalty and Sectionalism in the Civil War Era offers a new analysis of religion and the Civil War exploring how evangelical Christians shaped American faith and ideas about slavery in the mid nineteenth century The border states stood at the center of a long struggle over slavery sin and politics in American evangelicalism that consumed individual congregations and entire states This book illuminates border evangelicals view of their providential role in American history demonstrates that border churches established the terms of the debate over the relationship between church and state in wartime and explains how the major southern evangelical denominations successfully resisted postwar reconciliation      *Americanizing the Movies and "Movie-Mad" Audiences, 1910-1914* Richard Abel, 2006-08-15 Publisher description      *Sites of Southern Memory* Darlene O'Dell, 2001-11-29 In southern graveyards through the first decades of the twentieth century the Confederate South was commemorated by tombstones and memorials in Confederate flags and in Memorial Day speeches and burial rituals Cemeteries spoke the language of southern memory and identity was displayed in ritualistic form inscribed on tombs in texts and in bodily memories and messages Katharine DuPre Lumpkin Lillian Smith and Pauli Murray wove sites of regional memory particularly Confederate burial sites into their autobiographies as a way of emphasizing how segregation divided more than just southern landscapes and people Darlene O Dell here considers the southern graveyard as one of three sites of memory the other two being the southern body and southern memoir upon which the region s catastrophic race relations are inscribed O Dell shows how Lumpkin Smith and Murray all witnesses to commemorations of the Confederacy and efforts to maintain the social order of the New South contended through their autobiographies against Lost Cause versions of southern identity *Sites of Southern Memory* elucidates the ways in which these three writers joined in the dialogue on regional memory by placing the dead southern body as a site of memory within their texts In this unique study of three women whose literary and personal lives were vitally concerned with southern race relations and the struggle for social justice O Dell provides a telling portrait of the troubled intellectual literary cultural and social history of the American South      *The Price of Permanence* William D. Bryan, 2018-08 Using the lens of environmental history William D Bryan provides a sweeping reinterpretation of the post Civil War South by framing the New South as a struggle over environmental stewardship For more than six decades scholars have caricatured southerners as so desperate for economic growth that they rapaciously consumed the region s abundant natural resources Yet business leaders and public officials did not see profit and environmental quality as mutually exclusive goals and they promoted methods of conserving resources that they thought would ensure long term economic growth Southerners called this idea permanence But permanence was a contested concept and these businesspeople clashed with other stakeholders as they struggled to find new ways of using valuable resources *The Price of Permanence* shows how these struggles indelibly shaped the modern South Bryan writes the region into the national conservation movement for the first time and shows that

business leaders played a key role shaping the ideals of American conservationists This book also dismantles one of the most persistent caricatures of southerners that they had little interest in environmental quality Conservation provided white elites with a tool for social control and this is the first work to show how struggles over resource policy fueled Jim Crow The ideology of permanence protected some resources but did not prevent degradation of the environment overall and *The Price of Permanence* ultimately uses lessons from the New South to reflect on sustainability today **Honor and Slavery**

Kenneth S. Greenberg,1996 The honorable men who ruled the Old South had a language all their own one comprised of some obviously outlandish features yet revealing much about the lives of masters and the nature of slavery As Kenneth Greenberg skillfully demonstrates the language of honor embraced a complex system of phrases gestures and behaviors that centered on deep rooted values asserting authority and maintaining respect deserved or not **War Stories** Philip Dwyer,2016-11-01

Although war memoirs constitute a rich varied literary form they are often dismissed by historians as unreliable This collection of essays is one of the first to explore the modern war memoir revealing the genre s surprising capacity for breadth and sophistication while remaining sensitive to the challenges it poses for scholars Covering conflicts from the Napoleonic era to today the studies gathered here consider how memoirs have been used to transmit particular views of war even as they have emerged within specific social and political contexts *Seekers of Scenery* Kevin E. O'Donnell,Helen

Hollingsworth,2004 Eighteen articles culled from this body of literature including work by Rebecca Harding Davis W E B DuBois Charles Dudley Warner and Constance Fenimore Woolson make up this volume Some passages now read as environmental elegy descriptions of old growth forests long since cut waterfalls now dammed vistas now hidden behind pollution on high ridges **American Women Writers of the 19th Century** Heidi M. Hanrahan,2025-04-03

The nineteenth century was a period of prolific literary production from women writers including figures such as Louisa May Alcott Harriet Jacobs and Zitkala a who played pivotal roles in American literary history Despite facing societal forces aimed at silencing them women writers found ways to assert their voices and contribute to the intellectual and political debates of the era Their works contribute to conversations on a wide range of topics including art gender social reform slavery abolition economic and social inequality national expansion Native American dispossession and the changing identity of the nation Both retrospective and forward looking their written works found diverse audiences of men women and children This book functions as a comprehensive guide to understanding the breadth of nineteenth century women s writing exploring not only the writers and their texts but also the literary periods genres and key cultural historical and social movements that shaped their works By examining these authors impact on American literary traditions and their role in cultural discourse it highlights the lasting relevance of their work in both historical and contemporary contexts Emancipation Peter

Kolchin,2024-09-10 In this sequel to his landmark study historian Peter Kolchin compares the transition to freedom after American emancipation with the Russian Great Reforms The two largest transitions from unfree to free labor of the many

that occurred in Europe and the Americas during the nineteenth century took place in the United States and in Russia Both occurred in the 1860s and in both the former slaves and serfs strove to maximize their autonomy and freedom while the former masters worked to preserve as many of their prerogatives as possible Both were partially but only partially successful In this magisterial and long awaited work historian Peter Kolchin shows that a more radical break with the past was possible in the United States than in Russia with the Southern freedpeople coming to enjoy republican citizenship whereas Russian peasants remained subjects rather than citizens Both countries saw conservative reactions triumph in the late nineteenth century While this conservatism was common in most emancipations it was especially strong in Russia and the American South in part as a reaction against the major efforts to restructure the social order that went by the name of Reconstruction in the United States and the Great Reforms in Russia

**Aspects of American History** Simon Henderson,2009-01-26  
Aspects of American History examines major themes personalities and issues across American history using topic focused essays Each chapter focuses on key events and time periods within a broad framework looking at liberty and equality the role of government and national identity The volume engages with its central themes through a broad ranging examination of aspects of the American past including discussions of political history foreign policy presidential leadership and the construction of national memory In each essay Simon Henderson introduces fresh angles to traditional topics consolidates recent research in themed essays analyzes views of different historians offers an interpretive rather than narrative approach gives concise treatment to complex issues Including an introduction which places key themes in context this book enables readers to make comparisons and trace major thematic developments across American history

*Bonds of Affection* John Bodnar,2020-10-06 During the Civil War Walt Whitman described his admiration for the Union soldiers loyalty to the ideal of democracy His argument that this faith bonded Americans to their nation has received little critical attention yet today it raises increasingly relevant questions about American patriotism in the face of growing nationalist sentiment worldwide Here a group of scholars explores the manner in which Americans have discussed and practiced their patriotism over the past two hundred years Their essays investigate for example the extent to which the promise of democracy has explained citizen loyalty what other factors such as devotion to home and family have influenced patriotism and how patriotism has often served as a tool to maintain the power of a dominant group and to obscure internal social ills This volume examines the use of patriotic language and symbols in building unity in the early republic rebuilding the nation after the Civil War and sustaining loyalty in an increasingly diverse society Continuing through the World Wars to the Clinton presidency the essay topics range from multiculturalism to reactions toward masculine power In addition to the editor the contributors include Cynthia M Koch Cecilia Elizabeth O Leary Andrew Neather Stuart McConnell Gaines M Foster Kimberly Jensen David Glassberg and J Michael Moore Lawrence R Samuel Robert B Westbrook Wendy Kozol George Lipsitz Barbara Truesdell Robin Wagner Pacifici and William B Cohen

**The Civil War in Appalachia** Kenneth W. Noe,2004-02 During the Battle of

Perryville fought in Kentucky in October 1862 participants experienced an unusual phenomenon known as an acoustic shadow this peculiar combination of wind and terrain muffled the sounds of the fighting in such a manner that nearby soldiers were unaware that the battle was even taking place As the editors of this pioneering collection of essays observe a figurative acoustic shadow has long fallen on the study of the Civil War in Appalachia Regional stereotypes cursory generalizations and a neglect of geographic context have too often replaced detailed analysis and innovative interpretation Recent historiography has begun to present a fuller view of the war as it unfolded in the mountain counties of Alabama Georgia Kentucky Maryland the Carolinas Tennessee Virginia and West Virginia The goals of this volume the editors state are to provide a useful introduction to the social history of Appalachia s Civil War illustrating both the strengths and weaknesses of current historiography to sum up where we have been and suggest where we need to go and to point out the need to integrate Appalachian scholarship with studies of the Civil War and vice versa Among the topics covered are the experiences of blacks in Appalachia the war as it affected women the breakdown of community changing gender roles disaffection and desertion guerrilla warfare perceptions of mountain life and the early stirrings of industrialization These essays demonstrate the rich variety of Appalachian sentiments and attitudes toward the war dismantling familiar myths such as the view of Appalachia as a unionist monolith Following the conflict from the secession crisis to the postwar period these essays taken together provide what the editors call the closest thing historians have to a comprehensive history of the Southern Mountains at war

**The Confederate Belle** Giselle Roberts, 2003 While historians have examined the struggles and challenges that confronted the Southern plantation mistress during the American Civil War until now no one has considered the ways in which the conflict shaped the lives of elite young women otherwise known as belles In *The Confederate Belle* Giselle Roberts uses diaries letters and memoirs to uncover the unique wartime experiences of young ladies in Mississippi and Louisiana In the plantation culture of the antebellum South belles enhanced their family s status through their appearance and accomplishments and later by marrying well During the American Civil War a new patriotic womanhood superseded the antebellum feminine ideal It demanded that Confederate women sacrifice everything for their beloved cause including their men homes fine dresses and social occasions to ensure the establishment of a new nation and the preservation of elite ideas about race class and gender As menfolk answered the call to arms southern matrons had to redefine their roles as mistresses and wives Southern belles faced a different yet equally daunting task After being prepared for a delightful bellehood young ladies were forced to reassess their traditional rite of passage into womanhood to compromise their understanding of femininity at a pivotal time in their lives They found themselves caught between antebellum traditions of honor and of gentility a binary patriotic feminine ideal and wartime reality

**BOOK JACKET Book jacket**

**The Politics of Mourning** Micki McElya, 2016-08-15 Arlington National Cemetery is America s most sacred shrine a destination for four million visitors who each year tour its grounds and honor those buried there For many Arlington s symbolic importance places it beyond

politics Yet as Micki McElya shows no site in the United States plays a more political role in shaping national identity

## Adopting the Beat of Phrase: An Emotional Symphony within **Romance Of Reunion Northerners And The South 1865 19**

In a global eaten by displays and the ceaseless chatter of instant communication, the melodic beauty and emotional symphony produced by the prepared term frequently fade in to the back ground, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, situated within the pages of **Romance Of Reunion Northerners And The South 1865 19** a charming fictional treasure filled with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that interesting masterpiece conducts visitors on a mental journey, skillfully unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this emotional assessment, we will investigate the book is main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

### **Romance Of Reunion Northerners And The South 1865 19 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Romance Of Reunion Northerners And The South 1865 19 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Romance Of Reunion Northerners And The South 1865 19 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free

PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Romance Of Reunion Northerners And The South 1865 19 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Romance Of Reunion Northerners And The South 1865 19. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Romance Of Reunion Northerners And The South 1865 19 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Romance Of Reunion Northerners And The South 1865 19 Books**

1. Where can I buy Romance Of Reunion Northerners And The South 1865 19 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Romance Of Reunion Northerners And The South 1865 19 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
