[The Pine Forest: A Steamy Forbidden Romantic Fantasy](#) Michelle Dare, 2023-05-23 Enter the Iridescent Realm, a steamy romantic fantasy series from USA Today Bestselling Author Michelle Dare. It starts with a touch: Oliver isn't someone I'd ever want romantically. When I look at him, I think one thing: enemy. Yes, our kingdoms are at peace now, but that doesn't change what he's done or his reputation as a ruthless knight. Until he catches me as I'm falling. Something sparks between us. I'm not sure what to make of it. I try to ignore him. But then he's there when I least expect him. In my dreams, I've fought to be treated equally. What I don't need is someone else trying to protect me. Three brothers are enough. None of my training or magical abilities prepare me for the feelings I have when I'm around Oliver. The ones I shouldn't give in to. Yet I can't help but desire him. He's not the knight I thought he was. The more time I spend with him, the more I want him. My brothers aren't going to be happy. Oliver is the last knight in the realm. I should be with him. Too bad I do what I want. I'll deal with the consequences, which are sure to come. The Pine Forest is book two in the Iridescent Realm series. It features a powerful heroine and a captivating knight who can't seem to stay away from one another. This book contains explicit content and graphic violence intended for those 18 and over. Each book in the series can be read as a standalone but is better enjoyed when read in order.

Adventures Among the Red Indians: Romantic Incidents and Perils Amongst the Indians of North and South America H. W. G. Hyrst,2010-01-01 These pages describe the adventures of men whom duty or inclination has brought into contact with the Indians of the entire American continent and since every day sees the red race diminishing or abandoning the customs and mode of life once characteristic of it such adventures must necessarily relate mainly to a bygone generation To day the Indians form a bare sixtieth of the American population a falling off for which the colonist has been responsible both actively

and involuntarily The history of the red man s relations to those who ultimately were to be his rulers is a painful one massacres and cruelties on the one side led to reprisals of a similar nature on the other Happily the days of persecution and revolt are now ended some few of the natives have intermarried with whites and have adapted themselves to the conditions of modern civilisation others have settled down to an inoffensive and gypsy like life on reserves granted by the white governments Meanwhile the whole race particularly in the north continues to diminish It is not improbable that in the days of Cortez and Pizarro the Indians were already a dying people and that collision with the white invaders only hastened their demise The result of this collision is melancholy and the author of Westward Ho has put it all into a nutshell The mind of the savage crushed by the sight of the white man s superior skill and wealth and wisdom loses at first its self respect while his body pampered with easily obtained luxuries instead of having to win the necessities of life by heavy toil loses its self helpfulness and with self respect and self help vanish all the savage virtues Bishop Bompas who spent his life among the Indians of the far north says the whole of the Tenni race seem to be of a sickly habit and are dwindling in numbers
