The Romance of the Harem by Anna Harriette Leonowens Anna Leonowens,2017-12-14 Truth is often stranger than fiction but so strange will some of the occurrences related in the following pages appear to Western readers that I deem it necessary to state that they are also true Most of the stories incidents and characters are known to me personally to be real while of such narratives as I received from others I can say that I tell the tale as it was told to me and written down by me at the time In some cases I have substituted fictitious for real names in order to shield from what might be undesired publicity persons still living

Tourism Michael C. Hall,Chris Ryan,2005-07-08 Sex Tourism examines the issues which emerge from sex worker client interactions and from tourists visiting sex destinations It is a comprehensive summary of past research by academics and original primary and secondary research by the authors and has examples from Asia Australasia and the USA The authors have generated new models to show different dimensions of sex tourism which normalise at least some components of the sex industry and represent a new way of looking at sex tourism by challenging the preconceived perceptions that some people have of sex tourism or confirm the impression of others Sex Tourism looks at issues of importance to those working in tourism women s studies gender studies and social change

White Women in Racialized Spaces Samina Najmi,Rajini Srikanth,2012-02-01 At once racially privileged and sexually marginalized white women have been energetic in calling for solidarity among all women in opposing patriarchy but have not been equally motivated to examine their own racial privilege White Women in Racialized Spaces turns primarily to literature to illuminate the undeniable blind spots in white women s comprehension of their advantage The contributors cover extensive historical ground from early captivity narratives of white

women in seventeenth century America up to the present day trials of Louise Woodward and Manjit Basuta both British nannies accused of causing the deaths of their infant charges in the United States Their wide ranging discussions also include representations of white women in Native American Latin American African Asian and Middle Eastern contexts The volume ultimately makes the case that by creating alternative scenarios to particular ethical political or emotional problems against which readers and characters test their responses literature forms an ideal vehicle for exploring white women s actual and potential roles in their efforts to undercut the oppressive force of whiteness **The Academy** ,1901 *The Clique of Gold* Émile Gaboriau,1874 *Expiated* Herman Ludolphus Prior,1873 Academy and Literature Charles Edward Cutts Birch Appleton,Charles Edward Doble,James Sutherland Cotton,Charles Lewis Hind,William Teignmouth Shore,Alfred Bruce Douglas,Ellis Ashmead-Bartlett,Thomas William Hodgson Crosland,1901
