Engineering America Richard Haw,2020-02-12 John Roebling was one of the nineteenth century s most brilliant engineers ingenious inventors successful manufacturers and fascinating personalities Raised in a German backwater amid the war torn chaos of the Napoleonic Wars he immigrated to the US in 1831 where he became wealthy and acclaimed eventually receiving a carte blanche contract to build one of the nineteenth century s most stupendous and daring works of engineering a gigantic suspension bridge to span the East River between New York and Brooklyn In between he thought wrote and worked tirelessly He dug canals and surveyed railroads he planned communities and founded new industries Horace Greeley called him a model immigrant generations later F Scott Fitzgerald worked on a script for the movie version of his life Like his finest creations Roebling was held together by the delicate balance of countervailing forces On the surface his life was exemplary and his accomplishments legion As an immigrant and employer he was respected throughout the world As an engineer his works profoundly altered the physical landscape of America He was a voracious reader a fervent abolitionist and an engaged social commentator His understanding of the natural world however bordered on the occult and his opinions about medicine are best described as medieval For a man of science and great self certainty he was also remarkably quick to seize on a whole host of fads and foolish trends Yet Roebling held these strands together Throughout his life he believed in the moral application of science and technology that bridges along with other great works of connection the Atlantic Cable the Transcontinental Railroad could help bring people together erase divisions and heal wounds Like Walt Whitman Roebling was deeply committed to the creation of a more perfect union forged from the raw materials of the continent John Roebling was a complex deeply divided yet undoubtedly influential figure and this biography illuminates not only his works but also the world of nineteenth century America Roebling s engineering feats are well known but the man

himself is not for alongside the drama of large scale construction lies an equally rich drama of intellectual and social development and crisis one that mirrored and reflected the great forces trials and failures of nineteenth century America
