David Singh,2016-02-25 Destiny is a journey not a finish line A warrior designs his destiny with each step along his path I have fought pirates on the choppy waters of the Mediterranean Sea I have wept beside the statue of Alexander in Hispania I have risen from defeat at the hands of Pompey who was once my friend On the muddy banks of the Rubicon I have made a difficult decision for a unique problem just like you might be facing today But guess what You don't need a herculean physique to fight the battles of life And you don't need a famous father or mountains of sestertii Just like I didn't need them in ancient times to blaze a trail for Roman emperors you don't need them even today All you need is grit never letting self doubt crush your spirit even in the face of overwhelming odds Journey with me as we battle foes on land on sea and in life at times victorious at others crying in frustration but always gaining clarity about our destiny and striving towards it Along this road feel free to pick up skills that made me who I am *Caesar Escapades in Rome* is not a book about Roman history instead it is a chronicle of my non stop adventures through Ancient Rome **Success** Ahlström,Hirasawa,2018-01-24 HOW DO YOU REACH TRUE SUCCESS By understanding fear of failure You accept it and embrace it When you do inhibitions are removed and you become free to create the life you want We are oftentimes encouraged to transform from a negative state to a positive one using more force This book convincingly shows how a more profound transformation is achieved by including all aspects of ourselves even the bad ones and how perceived opposites such as winner loser skeptic believer are in fact interconnected in a way that is fundamental to our potential to grow and feel well As a consequence this book illustrates how any person can master the art of accessing what is sometimes referred to as flow stroke of luck or being in the zone at will **A Yorkshire Family Genealogy** ,2011 Family Trees from Yorkshire Some years ago I decided to find out who my ancestors were How they lived and see what made me Me Back in the 1980 s long before computers made genealogy what it is today I spent more hours in various Records Offices Libraries looking through census returns and parish records climbed over more gravestones in more cemeteries than I care to remember resulting in this book I hit a brick wall with my Knowles ancestors when I got back to the 1770 s Not being able to go back I decided to branch off sideways and look into some of the families connected to my family through marriage This book contains 13 Family Trees with hundreds of names dates births marriages and deaths of families from the Huddersfield Barnsley and other areas of Yorkshire England Including some families who emigrated to the USA and Australia All the families are connected to each other and together they make up a Yorkshire Family Genealogy **A Dictionary of Roman and Greek Antiquities** Anthony Rich,2025-07-21 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition
