the evolution of childlike femininity in British fashion magazines including Vogue i D and Lula Girl of my Dreams These images draw upon a network of references from Kinderwhore and Lolita to Alice in Wonderland and the femme enfant of Surrealism Alongside analysis of fashion photography the book presents the findings of original research into audience reception Inviting contemporary women to comment on images of the woman child provides an insight into the meaning of this figure as well as an evaluation of theory on the female gaze Both scholarly and accessible the book paves the way for future studies on how readers make sense of fashion imagery
