TRAVEL GUIDES TO THE WORLD'S ANCIENT SITES

Rome

AMANDA CLARIDGE

The city of Rome is the largest archaeological site in the world, capital and showcase of the Roman Empire and the centre of Christian Europe.

This guide provides:

- Coverage of all the important sites in the city from 800 BC to AD 600
- 200 high-quality site plans, maps, diagrams, and photographs
- Sites divided into twelve main areas, with star ratings to help you prioritize your visit:
 - Roman Forum; Upper Via Sacra; Palatine Hill; Imperial Forums;
 - Campus Martius; Capitoline Hill; Circus Flaminius to Circus Maximus;
 - Colosseum and Esquiline Hill; Caelian Hill and the Via Appia;
 - Baths of Diocletian, the Lateran, Porta Maggiore, etc.;
 - Museums and Catacombs
- Introduction offering essential background to the culture and history of ancient Rome, highlighting the nature of Roman achievement, and explaining how Rome came to be the largest city in the ancient world
- Information about museums and opening times, a chronology for reference, and comprehensive glossaries of essential terms

Rome An Oxford Archaeological Guide

Christopher S. Lightfoot

Rome An Oxford Archaeological Guide:

Rome Amanda Claridge, Judith Toms, Tony Cubberley, 1998 Reisgids voor Rome met beschrijvingen en afbeeldingen van belangrijke gebouwen uit de Romeinse Oudheid **Rome** Amanda Claridge, Judith Toms, Tony Cubberley, 2010 The ultimate guide to all the important archaeological sites in the city of Rome from the period 800 BC to AD 600 with over 200 site maps plans and photographs **Rome** Amanda Claridge, 2010-08-05 The city of Rome is the largest archaeological site in the world capital and showcase of the Roman Empire and the centre of Christian Europe This guide provides Coverage of all the important sites in the city from 800 BC to AD 600 and the start of the early middle ages drawing on the latest discoveries and the best of recent scholarship Over 220 high quality maps site plans diagrams and photographs Sites divided into fourteen main areas with star ratings to help you plan and prioritize your visit Roman Forum Upper Via Sacra Palatine Imperial Forums Campus Martius Capitoline Hill Circus Flaminius to Circus Maximus Colosseum and Esquiline hill Caelian hill and the inner via Appia Lateran to Porta Maggiore Viminal hill Pyramid to Testaccio the outer via Appia other outlying sites Museums and Catacombs Introduction offering essential background to the history and culture of ancient Rome placing the city in the context of the development of the empire highlighting the nature of Roman achievement and explaining how Rome came to be the largest city in the ancient world Comprehensive glossaries of Rome s building materials techniques and building types a chronological table of kings emperors and the early popes information about opening times references and suggestions for further reading and a detailed user friendly index For this new edition the original text has been extensively revised adding over 20 more sites and illustrations the itineraries have been re organized and expanded to suit the many changes that have taken place in the past decade and the practical information and references have been fully updated

Rome Amanda Claridge, 1998 The largest archaeological site in the world Rome includes such breathtaking structures as the Capitoline Hill the Roman Forum the Colosseum the Mausoleums of Augustus and Hadrian the Circus Maximus and the Catacombs Maps diagrams **Rome** , 1998 *Rome and The Guidebook Tradition* Anna Blennow, Stefano Fogelberg Rota, 2019-04-01 To this day no comprehensive academic study of the development of guidebooks to Rome over time has been performed This book treats the history of guidebooks to Rome from the Middle Ages up to the early twentieth century It is based on the results of the interdisciplinary research project Topos and Topography led by Anna Blennow and Stefano Fogelberg Rota From the case studies performed within the project it becomes evident that the guidebook as a phenomenon was formed in Rome during the later Middle Ages and early Renaissance The elements and rhetorical strategies of guidebooks over time have shown to be surprisingly uniform with three important points of development a turn towards a more user friendly structure from the seventeenth century and onward the so called Baedeker effect in the mid nineteenth century and the introduction of a personalized guiding voice in the first half of the twentieth century Thus the guidebook tradition is an unusually consistent literary oeuvre which also forms a warranty for the authority of every new guidebook In

this respect the guidebook tradition is intimately associated with the city of Rome with which it shares a constantly renovating yet eternally fixed nature

The House of Augustus T.P. Wiseman, 2019-07-23 A radical reexamination of the textual and archaeological evidence about Augustus and the Palatine Caesar Augustus 63 BC AD 14 who is usually thought of as the first Roman emperor lived on the Palatine Hill the place from which the word palace originates A startling reassessment of textual and archaeological evidence The House of Augustus demonstrates that Augustus was never an emperor in any meaningful sense of the word that he never had a palace and that the so called Casa di Augusto excavated on the Palatine was a lavish aristocratic house destroyed by the young Caesar in order to build the temple of Apollo Exploring the Palatine from its first occupation to the present T P Wiseman proposes a reexamination of the Augustan Age including much of its literature Wiseman shows how the political and ideological background of Augustus rise to power offers a radically different interpretation of the ancient evidence about the Augustan Palatine Taking a long historical perspective in order to better understand the topography Wiseman considers the legendary stories of Rome s origins in particular Romulus foundation and inauguration of the city on the summit of the Palatine He examines the new temple of Apollo and the piazza it overlooked as well as the portico around it with its library used as a hall for Senate meetings and he illustrates how Commander Caesar who became Caesar Augustus was the champion of the Roman people against an oppressive oligarchy corrupting the Republic A decisive intervention in a critical debate among ancient historians and archaeologists The House of Augustus recalibrates our views of a crucially important period and a revered public space

Emperor Alexander Severus John S. McHugh, 2017-06-30 Alexander Severus is full of controversy and contradictions He came to the throne through the brutal murder of his cousin Elagabalus and was ultimately assassinated himself The years between were filled with regular uprisings and rebellions court intrigue the Praetorian Guard slew their commander at the Emperor s feet and foreign invasion Yet the ancient sources generally present his reign as a golden age of just government prosperity and religious tolerance Not yet fourteen when he became emperor Alexander was dominated by his mother Julia Mamaea and advisors like the historian Cassius Dio In the military field he successfully checked the aggressive Sassanid Persians but some sources see his Persian campaign as a costly failure marked by mutiny and reverses that weakened the army When Germanic and Sarmatian tribes crossed the Rhine and Danube frontiers in 234 Alexander took the field against them but when he attempted to negotiate to buy time his soldiers perceived him as weak assassinated him and replaced him with the soldier Maximinus Thrax John McHugh reassesses this fascinating emperor in detail

Trajan Nicholas Jackson, 2022-04-30 Until the publication of this captivating biography no such volume on Trajan s life has been tailored to the general reader The unique book illuminates a neglected period of ancient Roman history featuring a comprehensive array of maps illustrations and photographs to help orientate and bring the text to life Trajan rose from fairly obscure beginnings to become the emperor of Rome He was born in Italica an Italic settlement close to modern Seville in present day Spain and is the first

Roman Emperor to be born outside of Rome His remarkable rise from officer to general and then to emperor in just over 20 years reveals a shrewd politician who maintained absolute power Trajan's success in taking the Roman Empire to its greatest expanse is highlighted in this gripping biography Trajan's military campaigns allowed the Roman Empire to attain its greatest military political and cultural achievements The book draws on novel theories recent evidence and meticulous research including field visits to Italy Spain Germany and Romania to ensure accurate vivid writing that transports the reader to Trajan's territory

Rome Andrew Leach, 2016-11-02 Andrew Leach's *Rome* is the first book in Polity's exciting new Cities in World History series which aims to provide the general reader and traveller with historically informed companions to the world's greatest cities Most city guides are good on practical details but very thin when it comes to recounting the histories of cities and contextualizing the buildings and sites for which they are famous These new books from Polity bridge the gulf between guide and history by offering concise and accessible accounts written by some of the world's leading historians Rome has a history unmatched in richness by any city on the globe It looms large in the world's cultural imagination and for millennia it has been a meeting point of great cultures a place where myth mixes freely with history leaving neither unscathed In this compact history Leach demonstrates what most visitors to the Eternal City will instinctively understand that the buildings streets monuments and gardens of this ancient city give the visitor moments of direct communion with its past He reveals the long twisting history of Rome through its ruins art works and monuments its metro stations and modern apartment blocks Each chapter takes the reader on a physical journey invoking Rome in different moments of its life Engaging historical narrative is supplemented with maps and photos making Rome an indispensable companion for those who want to dig below the city's surface

Pax and the Politics of Peace Hannah

Cornwell, 2017-07-13 Perhaps in defiance of expectations Roman peace pax was a difficult concept that resisted any straightforward definition not merely denoting the absence or aftermath of war it consisted of many layers and associations and formed part of a much greater discourse on the nature of power and how Rome saw her place in the world During the period from 50 BC to AD 75 covering the collapse of the Republic the subsequent civil wars and the dawn of the Principate the traditional meaning and language of peace came under extreme pressure as pax was co-opted to serve different strands of political discourse This volume argues for its fundamental centrality in understanding the changing dynamics of the state and the creation of a new political system in the Roman Empire moving from the debates over the content of the concept in the dying Republic to discussion of its deployment in the legitimization of the Augustan regime first through the creation of an authorized version controlled by the princeps and then the ultimate crystallization of the pax augusta as the first wholly imperial concept of peace Examining the nuances in the various meanings applications and contexts of Roman discourse on peace allows us valuable insight into the ways in which the dynamics of power were understood and how these were contingent on the political structures of the day However it also demonstrates that although the idea of peace came to

dominate imperial Rome's self representation such discourse was nevertheless only part of a wider discussion on the way in which the Empire conceptualized itself

The Cesnola Collection of Cypriot Art: Terracotta Oil Lamps Christopher S. Lightfoot, 2021-05-21 The fourth catalogue in a series that documents the renowned Cesnola Collection of Cypriot Art this book focuses on the collection's 453 terracotta oil lamps dating from the Classical Hellenistic Roman and Early Byzantine periods The rich iconography on many of these common everyday objects provides a rare look into daily life on Cyprus in antiquity and highlights the island's participation in Roman artistic and cultural production Each lamp is illustrated and the accompanying text addresses typology decoration and makers marks on each of these objects that provide new insights into art craft and trade in the ancient Mediterranean

Conversations with Catalogers in the 21st Century Elaine R. Sanchez, 2010-12-16 Authored by cataloging librarians educators and information system experts this book of essays addresses ideas and methods for tackling the modern challenges of cataloging and metadata practices Library specialists in the cataloging and metadata professions have a greater purpose than simply managing information and connecting users to resources There is a deeper and more profound impact that comes of their work preservation of the human record

Conversations with Catalogers in the 21st Century contains four chapters addressing broad categories of issues that catalogers and metadata librarians are currently facing Every important topic is covered such as changing metadata practices standards data record structures data platforms and user expectations providing both theoretical and practical information Guidelines for dealing with present challenges are based on fundamentals from the past Recommendations on training staff building new information platforms of digital library resources documenting new cataloging and metadata competencies and establishing new workflows enable a real world game plan for improvement

Perspectives on Public Space in Rome, from Antiquity to the Present Day Jan

Gadeyne, 2016-04-22 This volume provides readers interested in urban history with a collection of essays on the evolution of public space in that paradigmatic western city which is Rome Scholars specialized in different historical periods contributed chapters in order to find common themes which weave their way through one of the most complex urban histories of western civilization Divided into five chronological sections Antiquity Middle Ages Renaissance Baroque Modern and Contemporary the volume opens with the issue of how public space was defined in classical Roman law and how ancient city managers organized the maintenance of these spaces before moving on to explore how this legacy was redefined and reinterpreted during the Middle Ages The third group of essays examines how the imposition of papal order on feuding families during the Renaissance helped introduce a new urban plan which could satisfy both functional and symbolic needs The fourth section shows how modern Rome continued to express strong interest in the control and management of public space the definition of which was necessarily selective in this vastly extensive city The collection ends with an essay on the contemporary debate for revitalizing Rome's eastern periphery Through this long term chronological approach the volume offers a truly unique insight into the urban development of one of Europe's most important cities and concludes with a discussion of the challenges public space faces today after having served for so many centuries as a driving force in urban history

The Death of Caesar Barry Strauss, 2015-03-03 In this story of the most famous assassination in history the last bloody day of the Roman Republic has never been painted so brilliantly The Wall Street Journal Julius Caesar was stabbed to death in the Roman Senate on March 15 44 BC the Ides of March according to the Roman calendar He was says author Barry Strauss the last casualty of one civil war and the first casualty of the next civil war which would end the Roman Republic and inaugurate the

Roman Empire The Death of Caesar provides a fresh look at a well trodden event with superb storytelling sure to inspire awe The Philadelphia Inquirer Why was Caesar killed For political reasons mainly The conspirators wanted to return Rome to the days when the Senate ruled but Caesar hoped to pass along his new powers to his family especially Octavian The principal plotters were Brutus Cassius both former allies of Pompey and Decimus The last was a leading general and close friend of Caesar s who felt betrayed by the great man He was the mole in Caesar s camp But after the assassination everything went wrong The killers left the body in the Senate and Caesar s allies held a public funeral Mark Antony made a brilliant speech not Friends Romans Countrymen as Shakespeare had it but something inflammatory that caused a riot The conspirators fled Rome Brutus and Cassius raised an army in Greece but Antony and Octavian defeated them An original new perspective on an event that seems well known The Death of Caesar is one of the most riveting hour by hour accounts of Caesar s final day I have read An absolutely marvelous read The Times London Reading Romans with Roman Eyes James R.

Harrison,2020-06-22 Paul s letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul s readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God s purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter s argument and its possible significance for contemporary readers **Dynasty** Tom Holland,2015-10-20 Author and historian Tom

Holland returns to his roots in Roman history and the audience he cultivated with Rubicon his masterful witty brilliantly researched popular history of the fall of the Roman republic with Dynasty a luridly fascinating history of the reign of the first five Roman emperors Dynasty continues Rubicon s story opening where that book ended with the murder of Julius Caesar This is the period of the first and perhaps greatest Roman Emperors and it s a colorful story of rule and ruination running from the rise of Augustus through to the death of Nero Holland s expansive history also has distinct shades of I Claudius with five wonderfully vivid and in three cases thoroughly depraved Emperors Augustus Tiberius Caligula Claudius and Nero featured along with numerous fascinating secondary characters Intrigue murder naked ambition and treachery greed gluttony lust incest pageantry decadence the tale of these five Caesars continues to cast a mesmerizing spell across the millennia *The Roman Forum* David Watkin,2012-06-01 One of the most visited sites in Italy the Roman Forum is also one of the best known wonders of the Roman world Watkin examines the roles of the ancient remains while revealing what the standing structures embody including the medieval Renaissance and Baroque churches as well as the nearby monuments

that have important histories of their own **Campus Martius** Paul W. Jacobs (II), Diane Atnally Conlin, 2014 This book explores the factors that contributed to the transformation of the Campus Martius into a space filled with extraordinary Roman architectural structures

The Enigmatic Realm of **Rome An Oxford Archaeological Guide**: Unleashing the Language is Inner Magic

Rome An Oxford Archaeological Guide Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rome An Oxford Archaeological Guide free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rome An Oxford Archaeological Guide free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rome An Oxford Archaeological Guide free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rome An Oxford Archaeological Guide. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rome An Oxford Archaeological Guide any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rome An Oxford Archaeological Guide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
