## **Ron Hirsch The Songs:**

**Ron Hirsch** Ron Hirsch,2005-06-01 By the beginning of 1944 the United States participation in WWII had been underway for over two years The campaigns against the Japanese and Germans had resulted in heavy casualties especially among ground troops As a result there was a strong need for infantry replacements The draft had been underway since mid 1941 By the beginning of 1944 most of the eligible men between 19 and 35 had already been drafted Now they were scraping the bottom of the barrel drafting 18 year olds and men over 35 When the author was drafted at age 18 he looked very young for his age he was still riding public transportation in Chicago for half fare that is age 12 and under Even a German officer remarked after his capture that he looked very young to be fighting a war The author s military career was almost like a Readers Digest version of the war In only 19 months he was drafted trained as an infantry replacement assigned to a division sent to Europe went into combat in Germany was wounded captured by the Germans liberated and wounded again recaptured liberated again hospitalized assigned to a division that was to be trained for the invasion of Japan and finally turned into a fearless military policeman The book gives a picture of what infantry training was like in 1944 Of special interest is what life was like for German prisoners of war captured near the end of the war both in the camps and on outside labor details The author also describes the raid staged by General Patton to free American officers including his son in law from a prisoner of war camp Oflag XIIIB near the town of Hammelburg Germany **Dave Barry's Book of Bad Songs**

Dave Barry,2012-11-06 The humorist asked his readers to share their least favorite tunes and chronicles the hilarious responses When funnyman Dave Barry asked readers about their least favorite tunes he thought he was penning just another installment of his weekly syndicated humor column But the witty writer was flabbergasted by the response when over 10 000 readers voted I have never written a column that got a bigger response than the one announcing the Bad Song Survey Barry wrote Based on the results of the survey Dave Barry s Book of Bad Songs is a compilation of some of the worst songs ever written Dave Barry fans will relish his quirky take Music buffs too will appreciate this humorous stroll through the world s worst lyrics The only thing wrong with this book is that readers will find themselves unable to stop mentally singing the greatest hits of Gary Puckett Praise for Dave Barry s Book of Bad Songs Barry is his usual puckish self but the real surprise here is how funny many of the survey respondents are Kirkus Reviews Who can resist such a book Publishers Weekly *The New Music Connoisseur* ,1998 Catalog of Copyright Entries Library of Congress. its sale in 1988 it was constantly trying other musical genres looking to grab hits out of jazz country pop rock middle of the road and whatever else might be happening at the time Of course it wasn't particularly successful at some of the other genres although those who claim Motown never did much in the rock market conveniently overlook the healthy sales figures achieved by Rare Earth the group and focus instead on the total sales achieved on Rare Earth the label This book therefore contains biographies of all 684 artists who had releases on Motown and their various imprints as well as biographies of 16 musicians 23 producers 19 writers and 13 executives There are also details of the 50 or so labels that Motown owned licensed to or licensed from All nine films and the 17 soundtracks are also featured Every Motown single and album and EP that made the Top Ten of the pop charts in either the US or UK also have their own entries with 222 singles 84 albums and five EPs being featured Finally there are 36 other entries covering such topics as the Hollywood Walk of Fame the Motortown Revues Grammy Awards and the most played Motown songs on radio The 1 178 entries cover every aspect of Motown and more of the link between Granny in The Beverly Hillbillies and Wonder Woman of the artists from Abbey Tavern Singers to Zulema and the hits from ABC to You Really Got A Hold On Me The Motown Encyclopedia is the story of Motown Records Yesterday Today Forever **News Summary**, 1960 *American Song* Ken Bloom, 1985 Volume 1 includes material on nearly 3 300 American musicals Volume 2 consists of complete indexes to more than 42 000 songs and more than 16 000 personnel as well as a chronological listing of titles by year of production Billboard, 1994-11-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard, 1982-06-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Catalog of Copyright Entries**, 1938 The Complete Annotated Grateful Dead Lyrics David G.
