Federer,2004 Handsomely displayed quotations in an easy to read format this inspiring collection contains quotations from every U S President from George Washington to George W Bush drawn from various addresses memoirs proclamations correspondence and other sources **The Reagan Presidency** Paul Kengor,Peter Schweizer,2005-04-29 In this important new volume editors Paul Kengor and Peter Schweizer bring together original essays from leading scholars who examine topics as varied as Iran Contra abortion the Cold War governmental management and economic policy Through critical analysis these essays **Backfired** William J. Federer,2005 How did America go from Pilgrims seeking freedom to express their Christian beliefs to today s discrimination against those very beliefs in the name of tolerance Federer investigates *In God We Trust* Michael Shea,2012-05-11 This book is a unique look into God s hand in American history viewed through the life of George Washington The book reflects the providential view that Washington and other Founding Fathers had of the God of history God of Abraham The book attempts to document God s hand in Washington s life and the Revolutionary War using Washington s own words and detailing the numerous micarcles that led to the country s eventual independence and subsequent constitution The book also explores the country s reason for existence God s purpose in the founding of the United States and what it portends for our future survival as a nation [Faith and the Presidency From George Washington to George W. Bush](#) Gary Scott Smith,2006-10-12 In the wake of the 2004 election pundits were shocked at exit polling that showed that 22% of voters thought moral values was the most important issue at stake People on both sides of the political divide believed this was the key to victory for George W Bush who professes a deep and abiding faith in God While some fervent Bush supporters see him as a man chosen by God for the White House opponents see his overt commitment to Christianity as a dangerous and unprecedented bridging of the gap between church and state In fact Gary Scott Smith shows none of this is new Religion has been a major part of the presidency since George Washington s first inaugural address Despite the mounting interest in the role of religion in

American public life we actually know remarkably little about the faith of our presidents Was Thomas Jefferson an atheist as his political opponents charged What role did Lincoln s religious views play in his handling of slavery and the Civil War How did born again Southern Baptist Jimmy Carter lose the support of many evangelicals Was George W Bush as his critics often claimed a captive of the religious right In this fascinating book Smith answers these questions and many more He takes a sweeping look at the role religion has played in presidential politics and policies Drawing on extensive archival research Smith paints compelling portraits of the religious lives and presidencies of eleven chief executives for whom religion was particularly important Faith and the Presidency meticulously examines what each of its subjects believed and how those beliefs shaped their presidencies and in turn the course of our history **One Nation Under God** Kevin M.

Kruse,2015-04-14 The provocative and authoritative history of the origins of Christian America in the New Deal era We re often told that the United States is was and always has been a Christian nation But in One Nation Under God historian Kevin M Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s To fight the slavery of FDR s New Deal businessmen enlisted religious activists in a campaign for freedom under God that culminated in the election of their ally Dwight Eisenhower in 1952 The new president revolutionized the role of religion in American politics He inaugurated new traditions like the National Prayer Breakfast as Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country s first official motto Church membership soon soared to an all time high of 69 percent Americans across the religious and political spectrum agreed that their country was one nation under God Provocative and authoritative One Nation Under God reveals how an unholy alliance of money religion and politics created a false origin story that continues to define and divide American politics to this day The Ten Commandments & Their Influence on American Law

development U S District Court Crockett v Sorenson W D Va 1983 It is equally undeniable that the Ten Commandments have had a significant impact on the development of secular legal codes of the Western World U S Supreme Court Stone v Graham 1980 Rehnquist J dissenting An ideal book for students teachers journalists writers and those interested in researching the foundations of American law 288 pages paperback **Hardcore Punk in the Age of Reagan** Robert Fitzgerald,2025-05-27 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren t just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before **In God We Trust** Gloria Disanto,2011-08-23 IN GOD WE TRUST WHAT IS OUR GREAT COUNTRY BECOMING ARE WE HEADING TO SOCIALISM ARE OUR FREEDOMS BEING ATTACKED WILL OUR GRANDCHILDREN KNOW THE GREAT AMERICA WE GREW UP IN CAN WE STOP THE MADNESS IN WASHINGTON WE MUST RID WASHINGTON AND OUR WHITE HOUSE OF THE CORRUPTION AND POOR LEADERSHIP WE ARE SEEING 2012 IS THE YEAR FOR REAL HOPE AND CHANGE WE NEED TO TAKE OUR GREAT COUNTRY BACK I BELIEVE IT IS NOW OR NEVER THIS BOOK WILL REMIND YOU OF ALL THAT HAS TAKEN PLACE AGAINST THE WISHES OF THE MAJORITY OF AMERICANS MAKE SURE ALL THE COMMENTS ARE DOUBLE SPACED *Religion and the American Presidency* M. Rozell,G. Whitney,2007-05-14 This volume opens a new avenue toward understanding the politics and policies of many US presidents As the essays in this book reveal religion has had an enormous impact on many critical presidencies in US history Contrary to the conventional wisdom these essays reveal the deeply religious side to Truman Eisenhower and Reagan among others *In God We Still Trust* Richard G. Lee,2011-01-03 A year long devotional that explores the Godly principles on which our country was founded Experience gratitude for country and love of God with this 365 day journey through America s historical events as Dr Richard Lee introduces the people who established and shaped our nation and teaches the Godly principles on which it was founded Each devotional is followed by a Patriot Prayer and Promise Scripture is taken from the New King James Version of the Bible **The Age of Evangelicalism** Steven Patrick Miller,2014 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in

which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the Satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times Congressional Record United States. Congress,1996 *Three Secular Reasons Why America Should Be Under God* William J. Federer,2004 All men are endowed by their Creator with certain unalienable Rights Declaration of Independence 1776 Do you like having rights the government cannot take away Do you like being equal Do you like a country with few laws Then you want America under God The Rights of man Come not from the generosity of the state but from the hand of God John F Kennedy 1961 Inaugural Address We believe that all men are created equal because they are created in the image of God Harry S Truman 1949 Inaugural Address Our constitution was made only for a moral and religious people it is wholly inadequate to the government of any other John Adams 1798 Letter to the Massachusetts Third Division **To the Flag** Richard J.
