Howard Hensman, 1882 *Afghanistan from the Cold War Through the War on Terror* Barnett R. Rubin, 2015-03-25 A collection of articles written from 1989 to 2009 updated for this volume **An Afghan Prince in Victorian England** R.D. McChesney, 2024-07-25 In 1894 Great Britain invited Abd al Rahman Khan the amir of Afghanistan to England for a state visit Then at the height of its imperial might Britain sought to strengthen ties with the strategically important Afghanistan which shared a long frontier not yet a border with British India The amir's aim for the visit was to secure permission for an Afghan legation embassy in London while the British unaware of this goal hoped to overawe the amir with displays of military and industrial might as well as performances to show the strength and unity of British civil society The amir citing illness ultimately declined the invitation but in a calculated snub sent his second son Prince Nasr Allah Khan in his place This book narrates the events of the prince's mission in a number of revealing ways Using both British and Afghan sources including the journal of a senior member of the Afghan contingent McChesney places the visit in its international and historical context and analyzes the internal dynamics of the prince's delegation the seventy members of whom represented Afghanistan but included two Englishmen and two English women A further twenty members representing the Government of British India were as multi ethnic and multilingual as the members of the Afghan delegation This bilateral and complex mission left India in April 1895 and remained together for the next six months From the beginning it was riven by incidents of misogyny racism and class conflict that affected its ability to perform its diplomatic functions The reader gains insights into the goals and tactics of two asymmetrical yet competing powers as well as a rare look at the human element in this cross cultural diplomatic encounter **U.S. Marines in Afghanistan, 2001-2009**, 2014 U S Marines in Afghanistan 2001 2009 Anthology and Annotated Bibliography presents a collection of 37 articles interviews and speeches describing many aspects of the Corp's participation in Operation Enduring Freedom from 2001 to 2009 This history Division publication is intended to serve as a general overview and provisional reference to inform both Marines and the general public until monographs dealing with major Marine Corps operations during the campaign can be completed The accompanying annotated bibliography provides a detailed look at selected sources that currently exist until new scholarship and archival materials become available **Pennell of the Afghan Frontier** Alice Maud Pennell, 1914 **Afghan Hearts & Minds** Shafie Ayar, 2010-10 Shafie Ayar was a 17 year old medical student at Kabul University when the Russians invaded Afghanistan **Lipstick in Afghanistan** Roberta Gately, 2010-11-09 Roberta Gately's lyrical and authentic debut novel inspired by her own experiences as a nurse in third world war zones is one

woman's moving story of offering help and finding hope in the last place she expected. Gripped by haunting magazine images of starving refugees, Elsa has dreamed of becoming a nurse since she was a teenager. Of leaving her humble working class Boston neighborhood to help people whose lives are far more difficult than her own. No one in her family has ever escaped poverty, but Elsa has a secret weapon: a tube of lipstick she found in her older sister's bureau. Wearing it never fails to raise her spirits and cement her determination. With lipstick on, she can do anything, even travel alone to war-torn Afghanistan in the wake of 9/11. But violent nights as an ER nurse in South Boston could not prepare Elsa for the devastation she witnesses at the small medical clinic she runs in Bamiyan. As she struggles to prove herself to the Afghan doctors and local villagers, she begins a forbidden romance with her only confidant, a charming Special Forces soldier. Then a tube of lipstick she finds in the aftermath of a tragic bus bombing leads her to another life-changing friendship. In her neighbor Parween, Elsa finds a kindred spirit, fiery and generous. Together, the two women risk their lives to save friends and family from the worst excesses of the Taliban. But when the war wages around them, threatens their own survival, Elsa discovers her only hope is to unveil the warrior within. Roberta Gately's raw, intimate novel is an unforgettable tribute to the power of friendship and a poignant reminder of the tragic cost of war.

The Kirghiz and Wakhi of Afghanistan M. Nazif Shahrani, 2002. With a new Preface and Epilogue written by the author after the fall of the Taliban, explaining the extraordinary changes that have taken place since this book was first published in 1979, this ethnographic study describes the cultural and ecological adaptation of the nomadic Kirghiz and their agriculturalist neighbors, the Wakhi, to high altitudes and a frigid climate in Afghanistan. **Afghan**

Village Voices Richard Tapper, Nancy Lindisfarne-Tapper, 2020-06-25. Afghanistan in the 20th century was virtually unknown in Europe and America. At peace until the 1970s, the country was seen as a remote and exotic land visited only by adventurous tourists or researchers. *Afghan Village Voices* is a testament to this little-known period of peace and captures a society and culture now lost. Prepared by two of the most accomplished and well-known anthropologists of the Middle East and Central Asia, Richard Tapper and Nancy Tapper Lindisfarne, this is a book of stories told by the Piruzai, a rural Afghan community of some 200 families who farmed in northern Afghanistan and in summer took their flocks to the central Hazarajat mountains. The book comprises a collection of remarkable stories, folktales, and conversations and provides unprecedented insight into the depth and colour of these people's lives. Recorded in the early 1970s, the stories range from memories of the Piruzai migration to the north a half-century before to the feuds, ethnic strife, and the doings of powerful khans. There are also stories of falling in love, elopements, marriages, childbirth, and the world of spirits. The book includes vignettes of the narrators, photographs, maps, and a full glossary. It is a remarkable document of Afghanistan at peace, told by a people whose voices have rarely been heard. **Afghan Napoleon** Sandy Gall, 2021-09-07. The first biography in a decade of Afghan resistance leader Ahmad Shah Massoud. When the Soviets invaded Afghanistan in 1979, the forces of resistance were disparate. Many groups were caught up in fighting each other and competing for Western arms. The exception were those commanded by

Ahmad Shah Massoud the military strategist and political operator who solidified the resistance and undermined the Russian occupation leading resistance members to a series of defensive victories Sandy Gall followed Massoud during Soviet incursions and reported on the war in Afghanistan and he draws on this first hand experience in his biography of this charismatic guerrilla commander Afghan Napoleon includes excerpts from the surviving volumes of Massoud s prolific diaries many translated into English for the first time which detail crucial moments in his personal life and during his time in the resistance Born into a liberalizing Afghanistan in the 1960s Massoud ardently opposed communism and he rose to prominence by coordinating the defense of the Panjsher Valley against Soviet offensives Despite being under equipped and outnumbered he orchestrated a series of victories over the Russians Massoud s assassination in 2001 just two days before the attack on the Twin Towers is believed to have been ordered by Osama bin Laden Despite the ultimate frustration of Massoud s attempts to build political consensus he is recognized today as a national hero For This I Went to Afghanistan Linda Howard Martin,2012 For This I Went to Afghanistan is an inspirational book of a mother s attempt to repair an estranged relationship with her young adult daughter that became a renewal of her relationship with God After a bitter divorce Linda deployed to Afghanistan as a member of the United States Army She wrote the weekly updates to reconnect with her daughter Tabitha Tabitha ignored them at first but Linda s friends and family did not Her address list grew rapidly and soon Tabitha took notice What Linda gained through writing the updates was more than she had ever hoped to gain Reconnecting with Tabitha actually allowed her to reconnect with God in a very unconventional yet beautiful way *The Kunar ADT and The Afghan COIN Fight* Lt David M.
