when he travelled to a number of universities to honour distinguished professors for their significant contributions to the betterment of humanity by physically lifting them overhead This remarkable endeavour was part of his Lifting Up the World With a Oneness Heart award programme Thus through words silence music and a combination of physical and spiritual upliftment Sri Chinmoy has shared his profound spiritual message with the aspiring Truth seekers and God lovers of the university world for four decades Sri Chinmoy s words are mantras for the modern age reverberating in our hearts with their timeless and truly life transforming wisdom In his exquisite prose which is suffused with the very breath and cadence of poetry Sri Chinmoy has revealed all the many stages of the seeker s journey towards the Golden Shores of the ever transcending Beyond For generations to come these three volumes will awaken the inner mounting cry of seekers everywhere to achieve the highest Goal of Yoga union with God in this life EXISTENCE Nipsita Panda,2022-09-30
