Recovered Roots Yael Zerubavel,1995-10-15 In the years leading to the birth of Israel Zerubavel shows Zionist settlers in Palestine consciously sought to rewrite Jewish history by reshaping Jewish memory Zerubavel focuses on the nationalist reinterpretation of the defense of Masada against the Romans in 73 C E and the Bar Kokhba revolt of 133 135 and on the transformation of the 1920 defense of a new Jewish settlement in Tel Hai into a national myth **A.D.** ,1977-02 **The Cumulative Book Index** ,1912 A world list of books in the English language Advance ,1979 **Herodotus and the Origins of the Political Community** Norma Thompson,1996-01-01 The subtitle of this book is Arion s Leap and it is from this example of the puzzling fictionality of some of Herodotus histories that the author starts her exploration Arion was the singer who leapt into the sea to escape from Corinthian pirates and was rescued by dolphins Scholars have long wrestled with Herodotus practice of placing fanciful stories alongside factual ones but Thompson suggests that rather than displaying a primitive conception of history such a practice indicates a profound grasp of political theory and an understanding of the way that central stories can become the core of a political community This major reconsideration of Herodotus art draws his work into the modern historical debate and the author uses the writings of Martin Bernal Fran ois Hartog and Edward Said to shed new light on Herodotus conception of history **The Origin and Development of Chinese Fiction** Changyu Shi,2024-08-27 This book introduces the origin and development of Chinese fiction before late Qing dynasty It covers a broad range of topics in traditional Chinese fiction studies including novels written in classical and vernacular Chinese structure and narrative of fiction writing the relationship between fiction and other traditional Chinese literary genres such as legends and proses of the pre Qin philosophers This book is a classic introduction to history of Chinese fiction studies since being first published in 1995 *Children and Chess* Alexey W. Root,2006-03-30 This book helps educators and librarians prepare students to succeed in University Interscholastic League UIL Chess Puzzle Children and Chess A Guide for Educators is the first book to show the connection between accepted educational theories and chess It features lesson plans teachers can use immediately and from which they can learn the basics of the game Since the plans meet academic goals through chess teachers also learn that chess can be a part of reading math science and social studies An appendix showing how chess meets the requirements of curriculum standards is another plus Children and Chess A Guide for Educators is the first book to

show the connection between accepted educational theories and chess The relationship of chess to academic and humanistic educational goals is convincingly illustrated as curriculum and psychological theories from John D McNeil Mihaly Csikszentmihalyi and Howard Gardner are outlined and applied to the question why chess Children and Chess features lesson plans teachers can use immediately and from which they can learn the basics of the game Since the plans meet academic goals through chess teachers also learn that chess can be a part of reading math science and social studies An appendix showing how chess meets the requirements of curriculum standards is another plus Grades 4 8   National Union Catalog , Includes entries for maps and atlases   **Black World/Negro Digest** ,1975-07 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement

     Modern Korean Fiction Bruce Fulton,2005 Home to the New York Yankees the Bronx Zoo and the Grand Concourse the Bronx was at one time a haven for upwardly mobile second generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream Once hailed as a wonder borough of beautiful homes parks and universities the Bronx became during the 1960s and 1970s a national symbol of urban deterioration Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson crime and housing abandonment turning blocks of apartment buildings into gutted graffiti covered shells and empty trash filled lots In this revealing history of the Bronx Evelyn Gonzalez describes how the once infamous New York City borough underwent one of the most successful and inspiring community revivals in American history From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York s growing and increasingly more diverse African American and Hispanic populations this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods the heady optimism of industrial progress and the despair of economic recession and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough s rejuvenation In recounting the varied and extreme transformations this remarkable community has undergone Evelyn Gonzalez argues that it was not racial discrimination rampant crime postwar liberalism or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s Rather the decline was inextricably connected to the same kinds of social initiatives economic transactions political decisions and simple human choices that had once been central to the development and vitality of the borough Although the history of the Bronx is unquestionably a success story crime poverty and substandard housing still afflict the community today Yet the process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future   **Dictionary of Midwestern Literature, Volume Two** Philip A. Greasley,2016-08-08 The Midwest has produced a robust literary heritage Its authors

have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature <u>American Book Publishing Record Cumulative, 1950-1977</u> R.R. Bowker Company. Department of Bibliography,1978 **The Interesting Narrative** Olaudah Equiano,2018-01-04 I hope the slave trade may be abolished I pray it may be an event at hand Published a few days before the British parliament first debated the abolition of the slave trade in 1789 Olaudah Equiano s Interesting Narrative gives the author s account of his enslavement after his childhood kidnapping in Africa and his journey from slavery to freedom Equiano was slave to a captain in the Royal Navy and later to a Quaker merchant and he vividly depicts the appalling treatment of enslaved people at sea and on land He takes part in naval engagements is shipwrecked and has other exciting adventures on his travels to the Caribbean America and the Arctic Equiano claimed his own freedom and became an important abolitionist but his Narrative is much more than merely a political pamphlet The most important African autobiography of the eighteenth century it has achieved an increasingly central position among the century s great works of literature The introduction to this edition surveys recent debates about Equiano s birthplace and identity and considers his campaigning role and literary achievements *'American Book Publishing Record' Cumulative* R. R. Bowker LLC,1976
