**Roots of True Faith** Devo,1993-12-01      **The Gospel standard, or Feeble Christian's support** ,1849      The Root of the Righteous (Sea Harp Timeless series) A.W. Tozer,2022-10-11 The unique thing about the early Christians was their radiant relation to a Person The Lord they called Him tenderly and when they used the term they gave it its own New Testament meaning It meant Jesus Christ who a short while before had been among them but was now gone into the heavens as their High Priest and Advocate      **HOLINESS;BEING PLAIN PAPERS ON ITS NATURE, HINDRANCES, DIFFICULTIES AND ROOTS** J.C RYLE,Rev Terry Kulakowski, Editor,2015-12-02 The twenty papers contained in this volume are a humble contribution to a cause which is exciting much interest in the present day I mean the cause of scriptural holiness It is a cause which everyone who loves Christ and desires to advance His kingdom in the world should endeavor to help forward Everyone can do something and I wish to add my mite The reader will find little that is directly controversial in these papers I have carefully abstained from naming modern teachers and modern books I have been content to give the result of my own study of the Bible my own private meditations my own prayers for light and my own reading of old divines If in anything I am still in error I hope I shall be shown it before I leave the world We all see in part and have a treasure in earthen vessels I trust I am willing to learn      The Axe Laid to the Root of the Old Corrupt-tree, and the Spirit of Deceit Struck at in Its Nature. With an Exhortation to the Present Age Isaac PENINGTON (the Younger.),1659      *The Blessed Virgin's Root* F. Laing,2023-01-29 Reprint of the original The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      Holiness: Its Nature, Hindrances, Difficulties, and Roots John Charles Ryle,1962      **Removing Rebellion's Roots** Olan Stubbs,2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God s word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God s word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan s lies God s truth is the foundation for a holy life God s truth is the pure substance we need to replace the roots of our sinful practices      The Root of the Righteous A. W. Tozer,2023-12-13 In *The Root of the Righteous* A W Tozer explores the profound relationship between the spiritual life and an authentic understanding of God Combining theological reflection with poignant prose Tozer critiques superficial religiosity and urges readers to delve into the deeper realities of faith The

work is characterized by its lyrical style marked by vivid metaphors and an earnest tone creating a compelling invitation for introspection and spiritual renewal The book arises from a post World War II context where Tozer addresses the growing secularism and moral ambiguity of his time encouraging believers to establish a firm foundation in Christ A W Tozer a renowned Christian pastor author and theologian is celebrated for his passionate writing that emphasizes the pursuit of God and the importance of spiritual authenticity His experiences as a pastor in the early 20th century and his explorations of the Christian life profoundly influenced his writings This book along with Tozer s other works brings to light his deep dissatisfaction with the status quo of religious practice and his yearning for a genuine relationship with the Divine Readers seeking to deepen their faith and understanding of true righteousness will find *The Root of the Righteous* an invaluable resource Tozer s powerful insights and evocative language challenge us to seek the root of our spiritual lives fostering a deeper connection with God and a transformative faith *Documents* Boston (Mass.).
