Appearing and Empty Dalai Lama, Thubten Chodron, 2023-08-29 In this final volume on emptiness the Dalai Lama skillfully reveals the Prasāṅgikas view of the ultimate nature of reality so that we will gain the correct view of emptiness the selflessness of both persons and phenomena and have the means to eliminate our own and others dukkha In this last of three volumes on emptiness the Dalai Lama takes us through the Sautrāntika Yogācāra and Svatantrika views on the ultimate nature of reality and the Prasāṅgikas thorough responses to these so that we gain the correct view of emptiness the selflessness of both persons and phenomena This view entails negating inherent existence while also being able to establish conventional existence emptiness does not mean nothingness We then learn how to meditate on the correct view by cultivating pristine wisdom that is the union of serenity and insight as taught in the Pāli Chinese and Tibetan traditions Such meditation when combined with the altruistic intention of bodhicitta leads to the complete eradication of all defilements that obscure our minds This volume also introduces us to the tathagatagarbha the buddha essence and how it is understood in both Tibet and China Is it permanent Does everyone have it In addition the discussion of sudden and gradual awakening in Zen Chan Buddhism and in Tibetan Buddhism is fascinating

foundational text of Mahayana Buddhism In this book Barry Kerzin personal physician to the Dalai Lama presents this fundamental work in a digestible way using a method favored by His Holiness focusing on five key chapters presented in a specific order First we explore the twelve links of dependent origination in Nagarjuna s chapter 26 to learn why and how we cycle through sa sara Then we examine the self that cycles to discover that in fact there is no inherently existent self based on Nagarjuna s chapter 18 We then enter an analysis of the four noble truths based on chapter 24 to understand how conventional reality is understood Next an investigation of the Tathagata shows the reader that even emptiness is empty in chapter 22 Finally Nagarjuna re emphasizes the pervasiveness of emptiness in his first chapter Thus Dr Kerzin walks us through Nagarjuna s masterwork and lets the great teacher introduce us to Buddhist philosophy step by step deepening our understanding enhancing the way we practice **The Origins of Viraśaiva Sects** R. Comparing Husserl's Phenomenology and Chinese Yogacara in a Multicultural World Jingjing Li,2022-05-05 How is constructive cultural exchange possible when traditions hold such contradictory views Jingjing Li brings Edmund Husserl s phenomenology and Chinese Yogacara Buddhism into dialogue to explore the concept of essence While phenomenology and Yogacara Buddhism are both known for their investigations of consciousness there exists a core tension between them phenomenology affirms the existence of essence whereas Yogacara Buddhism argues that everything is empty of essence svabhava Answering this question and positioning both philosophical traditions in their respective intellectual and linguistic contexts Li argues that what Husserl means by essence differs from what Chinese Yogacarins mean by svabhava We see how Husserl problematises the substantialist understanding of essence in European philosophy Detailing the process of finding a middle ground between the two traditions Li s rich study demonstrates how both can thrive together in order to overcome Orientalism She reveals that Chinese Yogacara has developed a distinct account of self transformation ethics and social ontology that renders it much more than simply a Buddhist version of Husserlian phenomenology [Samkara's Advaita Vedanta](#) Jacqueline G. Teachings from the Medicine Buddha Retreat Lama Zopa Rinpoche,2009 The Lama Yeshe Wisdom Archive LYWA is the collected works of Lama Thubten Yeshe and Kyabje Lama Thubten Zopa Rinpoche The Archive was founded in 1996 by Lama Zopa Rinpoche its spiritual director to make available in various ways the teachings it contains From a review in BuddhaDharma magazine Teachings From the Medicine Buddha Retreat is a nearly complete record of the teachings given

by Lama Zopa Rinpoche during a twenty five day Medicine Buddha retreat in the fall of 2001 The sections are short on topics such as making offerings to the buddhas and the nature of mind The retreat was held less than two months after the 9 11 attacks and Lama Zopa s teachings are full of references to terrorism war Iraq and Afghanistan The book is not meant as a coherent presentation on any particular topic however one is rewarded by just opening it and reading anywhere Lama Zopa is a clear and effective teacher and his stories are endlessly entertaining and inspiring Serving With Pride in the Public Eye Randy Diehl,2016-02-05 This book is about the difficulty of serving in local government It s about finding meaning in public service and developing a deep sense of pride in making a difference to the well being of our communities I wrote this book to provide hope and guidance to my colleagues in administration and their political partners as they work through difficult times and climb over tremendous obstacles It is a true story that shows what can be achieved when we are prepared to lead when we instill a sense of urgency in the workplace culture when we act to become part of the solution and not part of the problem when we encourage people to have fun in the workplace when we show people we truly care about them as human beings when we reach out to solve contentious issues without the traditional adversarial techniques when we become accessible as managers to clients staff and City Councillors and when we tirelessly seek to communicate from the top to the bottom and across the silos through to the clients and back again to Council It provides important insights on how to manage the complex and often strained relationship between administration and elected officials It shows what can be achieved when we work as a team regardless of our administrative or political roles towards shared goals It s about striving for success not as a goal but as a journey that never ends
