Politically Red Eduardo Cadava,Sara

Nadal-Melsio,2023-12-05 How reading and writing are collective acts of political pedagogy and why the struggle for change must begin at the level of the sentence Reading is class struggle writes Bertolt Brecht Politically Red contextualizes contemporary demands for social and racial justice by exploring the shifting relations between politics and literacy Through a series of creative readings of Karl Marx Rosa Luxemburg Walter Benjamin W E B Du Bois Fredric Jameson and others it casts light on history as an accumulation of violence and in doing so suggests that it can become a crucial resource for confronting the present insurgence of inequality racism and fascism Reading between the lines as it were and even behind them Cadava and Nadal Melsi engage in an inventive mode of activist writing to argue that reading and writing are never solitary tasks but always collaborative and collective and able to revitalize our shared political imagination Drawing on what they call a red common wealth an archive of vast resources for doing political work and in particular anti racist work they demonstrate that sentences as dynamic repositories of social relations are historical and political events

The Jewess Pallas Athena Barbara

Hahn,2021-06-08 The Jewess Pallas Athena a line from a poem by Paul Celan It is a provocative phrase cutting across cultures and traditions But it poses questions How to reconstruct a culture that has been destroyed How to conceive of history after the catastrophes of the twentieth century This book begins in the mid eighteenth century with the first Jewish women to raise their voices in German It ends two hundred years later with another group of Jewish women looking back at a

country from which they had been expelled and to which they would never want to return Among the many prominent female intellectuals and literary figures Barbara Hahn discusses are Hannah Arendt Gertrud Kantorowicz Rosa Luxemburg Else Lasker Sch ler Margarete Susman and Rahel Levin Varnhagen In examining their writing she reflects upon the question of how German culture was constructed with its inherent patterns of exclusion This is a book about hope and despair possibilities and preventions We see attempts at dialogue between Christians and Jews men and women Germans and Jews attempts initiated by these women that for the most part remained unanswered Finally the book reconstructs the changing notions of the Jewess a key word in modern German history with its connotations of salons beauty and esprit And yet a word that is also disastrous in which there culminated everything the dominant culture condemned as dangerous

Women in Political Theory Jane Duran, 2016-02-11 The first volume to explore comprehensively the intersection of feminism politics and philosophy Women in Political Theory sheds light on the contributions of women philosophers and theorists to contemporary political thought With close attention to the work of five central thinkers Sarah Grimk Anna Julia Cooper Jane Addams Rosa Luxemburg and Hannah Arendt this book not only offers sustained analyses of the thought of these leading figures but also examines their relationship with established political theorists of the past such as Locke Machiavelli and the ancients Demonstrating that each of the figures covered was indeed a political theorist of her time whilst highlighting the strength of her thought and the reasons for which it has not been accorded the attention that it merits Women in Political Theory offers a fascinating overview of the political thought of five theorists whose work is central to an understanding of modern thought As such it will be of interest to scholars and students of sociology philosophy political and social theory feminist thought and gender studies

Writing Revolution: Representation, Rhetoric, and Revolutionary Politics Sheila Delany, 2023-09-20 Revolutionary and writer how do they fit together in one person s work Using literary texts from French German Russian and American pro revolutionary writers Sheila Delany examines the synergy of politics and rhetoric art and social commitment The writers she considers gave voice to the hopes of their time Some led the events in person as well as through their writing others worked to build a movement Marx Engels Lenin Trotsky Luxemburg Mao Sylvain Mar chal Boris Lavrenov Bertolt Brecht and others are here consummate rhetoricians all not necessarily on the same page politically but for the revolutions of their day

[The Oxford Handbook of Nineteenth-Century Women Philosophers in the German Tradition](#) Kristin Gjesdal, Dalia Nassar, 2024 This Oxford Handbook celebrates the work of trailblazing women in the history of modern philosophy Through thirty one original chapters it engages with the work of women philosophers spanning the long nineteenth century in the German tradition and covers women s contribution to major philosophical movements including romanticism and idealism socialism and Marxism Nietzscheanism feminism phenomenology and neo Kantianism It opens with a section on figures offering essays focused on fifteen thinkers in this tradition before moving on to sections of essays on movement and topics Across the volume s chapters essays examine women s contributions to key philosophical areas such as

epistemology and metaphysics aesthetics ethics social and political philosophy ecology education and the philosophy of nature **Main Currents of Marxism** Leszek Kołakowski, 2005 The commanding study of Marxism now in one masterful volume with a new preface and epilogue by the author **Revolutions in Modern German History** Andrew G. Bonnell, 2025-05-29 Andrew G Bonnell's innovative survey examines the history of revolution in modern Germany by focusing on key revolutionary developments in the German states There is coverage of Germany and the French Revolution the 1848 revolutions the Industrial Revolution the 1918 19 revolution the Nazi revolution of 1933 the revolution from above in Eastern Germany 1945 49 and the revolution in East Germany in 1989 90 *Revolutions in Modern German History* sheds new light on the subject by stressing the continuity of conflicts between revolution and counter revolution in German history thereby restoring a sense of the dramatic social conflicts that punctuated the history of the country It also reveals the significance of wider European and transnational developments of revolutionary and counter revolutionary movements and events Bonnell even reconstructs a sense of the participants changing horizon of expectations during these events by looking in depth at the lives of men and women who lived and experienced these tumultuous times
