Rose In The Shadows:

The Rose in the Shadows Arcadia Rayne, 2024-04-11 The Descendants of Hyrax God of the Dead died out long ago At least that's what the Mortal Realm had thought until Theadora Moore showed up on the steps of the Athenian Palace without any memories of her past life magic in her veins and a mark on her chest that brands her the last living Descendant of Hyrax Desperate to use her to ensure peace in his kingdom Prince Clayton Vail forces her to play a role she doesn't want at court When mysterious attacks start happening at the castle though it becomes clear that not everyone is happy with the return of House Hyrax If Thea wants to stay alive long enough to uncover the secrets of her past she's going to need to master her powers navigate complicated politics and figure out who to trust In a castle filled with the children of the Gods that might be easier said than done The House of Hyrax series is an action packed slow burn romance filled with magic and political intrigue perfect for fans of From Blood and Ash and Red Queen *Rose in the Shadows* Catherine Wyatt, 1992-07-01
