Brady deftly captures the innocent and ageless qualities of wonder and awe at the world's boundless experiences as seen through the lives of his beloved characters. Whether the Gumbos are sharing a simple family moment in the park, Pasquale is pushing his little boy limits, or Rose is morphing into her Biker Chic alter ego, this Rose is Rose compilation of daily and Sunday strips delivers all the fun, laughter, and family loving moments that mark Brady's work. This is cartooning at its best.

Behind the Pine Curtain Gerri Hill, 2006-06-01 Jacqueline Keys was ostracized from her small hometown of Pine Springs, Texas, when she was seventeen, sent away because she was gay. Her family was the largest employer in the county, owning Pine Springs Lumber, and her father was mayor of this small town. Her mother could not accept the fact that her only child was gay, could not tolerate the gossip about her family. So with a hundred dollars in her pocket and a one-way bus ticket out of town, Jacqueline was told not to come back until she had come to her senses. And that included being prepared to marry the son of a business associate of the family. Fifteen years later, long after she'd hitchhiked to Los Angeles, long after she'd worked nights to put herself through college, and long after she'd written her first best seller, *No Place For Family*, Jacqueline is persuaded to go back to the tiny town of Pine Springs after her father's death. The quick trip she'd envisioned for the funeral turns into weeks as she learns her father's business is suddenly hers to manage. And she is also again face to face with the woman who, as a teen, had been Jackie's first crush. She and Kay had been inseparable as kids and later as teens. They find themselves falling back into their old habits, and Jackie is soon fighting the same feelings she'd had when she was seventeen. But living behind the pine curtain, Kay is afraid of her love for Jackie, afraid of what her family will say, afraid of how the town will react. Jackie refuses to hide, refuses to crawl back into the closet, so once again she leaves Pine Springs alone.
