Public Library, 1905 *French Divorce Fiction from the Revolution to the First World War* Nicholas White, 2017-12-02 One of the primary social changes ushered in by the French Revolution was the legalization of divorce in 1792 Diluted by the Civil Code and suppressed by the Restoration divorce was only fully established in France by the Loi Naquet of 1884 French Divorce Fiction from the Revolution to the First World War tracks the part played by novels in this conflict between the secular rights of individual citizens and the sanctity of the traditional family Inspired by the sociologists Zygmunt Bauman and Anthony Giddens White's account culminates in the first sustained analysis of the role of divorce in the refashioning of life narratives during the early decades of the Third Republic As such it redefines the relationships between canonical authors such as Maupassant and Colette rediscovered women novelists like Marcelle Tinayre and Camille Pert and long neglected patriarchs such as Paul Bourget and Anatole France Nicholas White teaches French in the University of Cambridge where he is a Fellow of Emmanuel College *Illustrated Catalogue of Books ... 1903-1904 ...* A.C. McClurg & Co, 1903 *The American Catalogue*, 1901 American national trade bibliography Kate Chopin Per Seyersted, 1980-04-01 Kate Chopin was a nationally acclaimed short story artist of the local color school when she in 1899 shocked the American reading public with *The Awakening* a novel which much resembles *Madame Bovary* Though the critics praised the artistic excellence of the book it was generally condemned for its objective treatment of the sensuous independent heroine Deeply hurt by the censure Mrs Chopin wrote little more and she was soon forgotten For decades the few critics who remembered her concentrated on the regional aspects of her work In the *Literary History of the United States* where Kate Chopin is highly praised as a local colorist *The Awakening* is not even mentioned In recent years however a few critics have given new attention to the novel emphasizing its courageous realism In the present book Mr Seyersted carries out an extensive re examination of both the life and work of the author basing it on her total oeuvre Much new Kate Chopin material such as previously unknown stories letters and a diary has recently come to light We can now see that she was a much more ambitious and purposeful writer than we have hitherto known From the beginning her special theme was female self assertion As each new success increased her self confidence she grew more and more daring in her descriptions of emancipated woman who wants to dictate her own life Mr Seyersted traces the author's growth as an artist and as a penetrating interpreter of the female condition and shows how her career culminated in *The Awakening* and the unknown story *The Storm* With these works which were decades ahead
