Rose O'Neale Greenhow and the Blockade Runners George Johnson, 1995 Confederate Spy: Rose O'Neale Greenhow Nash Kerr Burger, 1967 The woman who died carrying the dispatches of the Confederate government during the Civil War

North Carolina Women Michele Gillespie, Sally G. McMillen, 2014 This first of two volumes on North Carolina women chronicles the influence and accomplishments of individual women from the pre Revolutionary period through the early 20th century They represent a range of social and economic backgrounds political stances areas of influence and geographical regions within the state Even though North Carolina remained mostly rural until well into the twentieth century and the lives of most women centered on farm family and church Gillespie and McMillen note that the state s people exhibited a progressive streak that positively influenced women Public funds were set aside to advance statewide education private efforts after the Civil War led to the founding of numerous black schools and colleges and in 1891 the General Assembly chartered the State Normal and Industrial School later UNC G as one of the first publicly funded colleges for white women By the late 19th century as several essays in this volume reveal education played a pivotal role in the lives of many white and black women It inspired their activism and involvement in a world beyond their traditional domestic sphere The Union Blockade in the American Civil War Michael Bonner, Peter McCord, 2023-08-18 Winner of the 2021 John Lyman Book Award from the North American Society for Oceanic History Swashbuckling stories of the Union naval blockade of the Southern states and the blockade runners who smuggled goods to the Confederacy have long been a part of the romanticized image of the Civil War Throughout the war Lincoln s blockade and attempts to breach it touched nearly every aspect of the war effort The Union prevented crucial material from reaching Confederate forces while blockade runners smuggled hundreds of thousands of guns to rebel armies No other military campaign lasted as long or had as many long term consequences on the outcome of the Civil War Covering more than three thousand miles of Southern coastline and employing the services of 100 000 sailors the blockade was a massive undertaking largely dictated by two Atlantic powers Great Britain and the United States Michael Bonner and Peter McCord build on the extensive scholarship of the blockade and incorporate previously unexamined British primary sources to deliver a fresh analysis of the Union blockade blockade running and a reassessment of the blockade s effectiveness Their multifaceted study reassesses several key aspects of a critical component of Union strategy including diplomatic and legal issues and the significance of the Confederacy s reliance on European supplies to sustain the war effort The authors present statistics showing that the blockade was not nearly as effective as is commonly believed moreover its successes against steam powered blockade runners actually decreased as the war went on The diversity and comprehensiveness of coverage makes The Union Blockade in the American Civil War an essential work for Civil War historians and students **Echoes of Topsail** David A. Stallman, 2010-07 ECHOES of Topsail is a history of Topsail Island NC from its formation to the year 2004 Extensively researched the facts folklore and experiences of its people

tell the island's story and bring the island's heartbeat to the reader

Blockade Runners of the Confederacy Hamilton Cochran, 2005-02-06 A readable exciting chronicle of the men and ships that ran federal naval blockades during the Civil War Within four weeks of the fall of Fort Sumter President Abraham Lincoln had declared a blockade of over four thousand miles of Confederate coastline from Cape Henry in Virginia to the Mexican border In response professional runners lured by both profits and patriotism built faster sleeker low profile ships and piloted them through the ever thickening Northern cordon The tonnage they imported including items ranging from straight pins to marine engines sustained the South throughout the conflict This exciting chronicle of the men and ships that ran federal naval blockades during the Civil War also provides an overall assessment of the blockades conception effectiveness and impact on the Southern populace

British Blockade Runners in the American Civil War Joseph McKenna, 2019-04-11 Perhaps more than all the campaigns of the Union armies the Union naval blockade covering all major Southern ports along 3 500 miles of coastline for the duration of the war brought down the Confederacy The daring exploits of Confederate blockade runners are well known but many of them were British citizens operating out of neutral ports such as Nassau Havana and Bermuda Focusing on British involvement in the war this history names the overseas bankers and manufacturers who in critical need of cotton and other Confederate exports financed and equipped the fast little ships that ran the blockade The author attempts to disentangle the names and aliases of the captains many of whom were Royal Navy officers on temporary leave and tells their stories in their own words

Captain James Carlin Colin Carlin, 2022-04-13 A biography of the British American who captained a blockade runner for the Confederacy during the Civil War Captain James Carlin is a biography of a shadowy nineteenth century British Confederate James Carlin 1833 1921 who was among the most successful captains running the US Navy's blockade of Southern ports during the Civil War Written by his descendent Colin Carlin Captain James Carlin ventures behind the scenes of this perilous trade that transported vital supplies to the Confederate forces An Englishman trained in the British merchant marine Carlin was recruited into the US Coastal and Geodetic Survey Department in 1856 spending four years charting the US Atlantic seaboard Married and settled in Charleston South Carolina he resigned from the survey in 1860 to resume his maritime career His blockade running started with early runs into Charleston under sail These came to a lively conclusion under gunfire off the Stono River mouth More blockade running followed until his capture on the SS Memphis Documents in London reveal the politics of securing Carlin's release from Fort Lafayette On his return to Charleston General P G T Beauregard gave him command of the spar torpedo launch Torch for an attack on the USS New Ironsides After more successful trips though the blockade he was appointed superintending captain of the South Carolina Importing and Exporting Company and moved to Scotland to commission six new steam runners After the war Carlin returned to the southern states to secure his assets before embarking on a gun running expedition to the northern coast of Cuba for the Cuban Liberation Junta fighting to free the island from Spanish control and plantation slavery In researching his forebear the author gathered

a wealth of private and public records from England Scotland Ireland Greenland the Bahamas and the United States The use of fresh sources from British Foreign Office and US Prize Court documents and surviving business papers make this volume distinctive A groundbreaking work that lifts the veil off the all important ship captains who supplied the Confederacy with the necessary supplies to sustain its fight for independence The author does a superb job in relating the story of his relative James Carlin a key member of the cadre of captains who sustained the Confederacy by running supplies through the northern blockade on specialized vessels A sweeping story from England to Charleston Florida and Cuba This book is a must for anyone interested in Southern Confederate maritime history Stephen R Wise author of Lifeline of the Confederacy Blockade Running during the Civil War

Wild Rose Ann Blackman,2005-06-07 For sheer bravado and style no woman in the North or South rivaled the Civil War heroine Rose O Neale Greenhow Fearless spy for the Confederacy glittering Washington hostess legendary beauty and lover Rose Greenhow risked everything for the cause she valued more than life itself In this superb portrait biographer Ann Blackman tells the surprising true story of a unique woman in history I

am a Southern woman born with revolutionary blood in my veins Rose once declared and that fiery spirit would plunge her into the center of power and the thick of adventure Born into a slave holding family Rose moved to Washington D C as a young woman and soon established herself as one of the capital s most charming and influential socialites an intimate of John C Calhoun James Buchanan and Dolley Madison She married well bore eight children and buried five and at the height of the Gold Rush accompanied her husband Robert Greenhow to San Francisco Widowed after Robert died in a tragic accident Rose became notorious in Washington for her daring and numerous love affairs But with the outbreak of the Civil War everything changed Overnight Rose Greenhow fashionable hostess become Rose Greenhow intrepid spy As Blackman reveals deadly accurate intelligence that Rose supplied to General Pierre G T Beauregard written in a fascinating code the code duplicated in the background on the jacket of this book Her message to Beauregard turned the tide in the first Battle of Bull Run and was a brilliant piece of spycraft that eventually led to her arrest by Allan Pinkerton and imprisonment with her young daughter Indomitable Rose regained her freedom and as the war reached a crisis journeyed to Europe to plead the Confederate cause at the royal courts of England and France Drawing on newly discovered diaries and a rich trove of contemporary accounts Blackman has fashioned a thrilling intimate narrative that reads like a novel Wild Rose is an unforgettable rendering of an astonishing woman a book that will stand with the finest Civil War biographies American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **Women in the Civil War** Larry G. Eggleston,2015-07-11 When the Civil War broke out women answered the call for help They broke away from their traditional roles and served in many capacities some of them even going so far as to disguise themselves as men and enlist in the army Estimates of such women enlistees range from 400 to 700 About 60 women soldiers were known to have been killed

or wounded More than sixty women who fought or who served the Union or Confederacy in other ways are featured Among them are Sarah Thompson the Union spy and nurse who brought down the famous raider John Hunt Morgan Elizabeth Van Lew the Union spy instrumental in the largest prison break of the war Sarah Malinda Blalock who fought for the Confederacy as a soldier and then for the Union as a guerrilla raider Dr Mary Walker a doctor for the Union and the only woman to receive the Congressional Medal of Honor for Civil War service and Jennie Hodgers the longest serving woman soldier and the only woman to receive a soldier s pension *Blood and War at my Doorstep* Brenda Chambers McKean,2011-07-08 Continuing from Volume I Volume II intersperses numerous soldiers letters with those from home The issue of slavery from both the owners and individuals is brought forth Did colored men really serve as Confederate soldiers Did free black men Union soldiers described southern women as defi ant beautiful crude and pitiful Read of women aboard blockade runners the fall of Wilmington Sherman s march Stoneman s western raiders and the end of the war Did any civilians die due to these raids Did they idly sit by as their lives and homes were destroyed The war did come to their doorstep during the second half of the confl ict Both Volume I and II tell something from each of the state s 87 counties Perhaps you may fi nd information about your ancestor among these pages Information from period newspapers as well as mostly unpublished letters tell their stories **On the Road to Total War** Stig Förster,Jorg Nagler,2002-08-22 On the Road to Total War attempts to trace the roots and development of total industrialised warfare a concept which terrorises citizens and soldiers alike Mass mobilisation of people and resources and the growth of nationalism led to this totalisation of war in nineteenth century industrialised nations In this collection of essays international scholars focus on the social political economic and cultural impact of the American Civil War and the German Wars of Unification **Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles** ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion **Damn the Torpedoes! Naval Incidents of the Civil War** A. A. Hoehling,1998 This book tells of the Civil War s naval actions which were pressed with at least the same passion as the battles on land and with considerably more improvisation **Mersey Built: The Role of**

Merseyside in the American Civil War Robert Thorp, 2018-04-10 Mersey Built chronicles the little known commercial battle that raged between North and South during the American Civil War The South relied on Europe for its military supplies which the North tried to stop with a naval blockade of all Southern ports The South retaliated by destroying Northern merchant ships on the high seas using war ships secretly procured from British shipyards and smuggled out of Britain by sympathetic British captains using British crews The Charleston based business empire headed by George Trenholm provided a conduit for Confederate finance with its Liverpool branch acting as bankers for the Confederacy s procurement agents Merseyside with its extensive docks and numerous shipyards quickly became the epicenter of Confederate operations in Europe Several British businessmen bought ships specifically to run supplies through the Union blockade leaving relationships between the United States and Britain strained close to breaking point The book relates the history of Trenholm s commercial empire its pre war expansion into Liverpool and the pivotal role it played in supporting the Confederate war effort The involvement of other Liverpool based entrepreneurs and their successes and failures in blockade running is described Background histories of the Merseyside ship builders who constructed warships and blockade runners for the Confederacy are included as well as several mini biographies of the Liverpool based captains who smuggled out warships and braved the Union blockade Details of each ship built on Merseyside for involvement in the Civil War are listed The role of the United States consular service and its extensive Liverpool based spy ring is described as are the efforts of the United States ambassador in London to influence British government policy on neutrality The author a direct descendant of a Liverpool ship builder and a blockade running captain brings new insights and previously unpublished facts to light in this fascinating chapter of history Southern Rights Mark E. Neely, 1999 During the civil war that followed not a day would pass when Confederate military prisons did not contain political prisoners BOOK JACKET
