shadows Valeria McGregor was a better shot a better fighter and smarter than everyone she d ever gone up against as an agent for the DEA Then she d uncovered illegal activity within her own organization and was fired as part of a cover up Valeria is offered a chance to get back in the game as part of a secret elite group reporting only to the president Valeria fully plans to find the men and women hell bent on ruling the world from the shadows but she also has revenge on the mind Valeria secretly left her new team thinking she could go undercover to get to the bottom of how the shadow group was funded Valeria discovered too late that when it comes to true evil it s best to face it with your team at your back Alone and on the run Valeria finds herself being hunted by some of the most dangerous people on the planet She has learned how the shadow group has been funded and what they have planned next but she still has to find out where before it s too late If the shadow group pulls off their next move then there may be no stopping them Grant Macay would do anything for his former Air Force Pararescue team leader Dalton Cage So when Dalton calls and invites Grant into the fold he doesn t hesitate to drop everything to rescue Valeria With her past at the DEA threatening her survival and the world s most vicious drug lord hunting her a feisty Valeria and Grant must make their way back to the team to prepare for the battle of their lives This woman is unlike anything he s experience before and it doesn t take long for the sparks to fly as well as bullets With time running out Grant could only hope he and Valeria would be the ones left standing

Heated Kathleen Brooks,2025-05-09 Wilder Townsend was just a small town guy when he left home for college in New York City He got a weekend job as a bouncer at the hottest nightclub in the city The rest is history He now owned a chain of the hottest most luxurious and exclusive nightclubs all over the world Everything was going great Wilder had moved to the small town of Shadows Landing to be closer to his family his new clubs were thriving and his family was happy until a phone call changed everything Someone was trying to ruin his clubs and Wilder had to find out who before he lost everything he s worked so hard to build Bexley Moretti had just been promoted to detective when she received her first undercover assignment Wilder Townsend s clubs were under investigation for serious crimes Her mission was to get close to the enigmatic boss of WET nightclubs a man who exuded charm and danger in equal measure and bring him to justice Only Bex s first undercover investigation wasn t what she expected She didn t expect to fall for Wilder She didn t expect the investigation to take a turn that landed her and Wilder in a

heated battle for their lives the clubs and their love And she certainly didn't expect what she found in Shadows Landing As they navigate the dangerous waters of their feelings and the investigation they find themselves in a struggle that tests their love their loyalty and their very lives Can Wilder and Bex discover the source of the danger or will they all get burned

**Targeted** Kathleen Brooks,2024-04-26 Hunter Townsend loves his new home in the small town of Shadows Landing It's his sanctuary when he comes home from a mission as part of his Special Forces team Maggie the infuriating monogram loving bright color wearing cuter than she should be woman who loves to tease him was the only issue in Shadows Landing Until a mission goes wrong Maggie Bell is an Olympic sharpshooter and is getting ready to go for the gold once again She loved nothing more than letting the handsome yet cocky Hunter put his foot in his mouth over and over again by not telling him she was a better shot than he was He just kept digging that hole and she just kept smiling While everyone groaned when Maggie and Hunter started verbally sparring Maggie loved it She'd earn Hunter's respect when he saw her win gold That is if anyone finally tells him she's in the Olympics But that all seems inconsequential when Shadows Landing becomes a target Now will Hunter and Maggie put their verbal sparring aside and find the threat before they end up in the crosshairs

**Face-Off** Kathleen Brooks,2023-10-24 Stone Townsend is the center for the pro hockey team in Charleston There are just a few things he's concerned with bringing his large family together again leading his new team to a championship and doing a lot of scoring on and off the ice Which is why it was the worst time to get an injury under new team management and a new coach Natalie Novak owns a new sports academy that trains and rehabilitates athletes She's also a former prima ballerina and daughter of Charleston's new hockey coach though no one knows it But there was a lot more going on behind her pretty costumes and flawless leaps including being thrown into the spy world when she was dancing in London She thought it would be simple enough to leap back out but her past is about to find her All Stone cared about was getting back into skating shape for the tournament But when the paradox of Natalie gets his attention he realizes there's a lot more to her than meets the eye including someone who wants to kill her With his heart and career in Natalie's hands he vows to protect her with his life
