Roses for an Empress Empress Josephine (consort of Napoleon I, Emperor of the French), Pierre-Joseph Redouté (Lithographer, Painter, France), 1983 **Liberty Equality Fashion** Anne Higonnet, 2024-04-16 Shortlisted for the Eighth Annual French Heritage Society Book Award Three women led a fashion revolution and turned themselves into international style celebrities Jos phine Bonaparte future Empress of France T r zia Tallien the most beautiful woman in Europe and Juliette R camier muse of intellectuals had nothing left to lose After surviving incarceration and forced incestuous marriage during the worst violence of the French Revolution of 1789 they dared sartorial revolt Together Jos phine and T r zia shed the underwear cages and massive rigid garments that women had been obliged to wear for centuries They slipped into light mobile dresses cropped their hair short wrapped themselves in shawls and championed the handbag Juliette made the new style stand for individual liberty The erotic audacity of these fashion revolutionaries conquered Europe starting with Napoleon Everywhere a fashion magazine could reach women imitated the news coming from Paris It was the fastest and most total change in clothing history Two centuries ahead of its time it was rolled back after only a decade by misogynist rumors of obscene extravagance New evidence allows the real fashion revolution to be told This is a story for our time of a revolution that demanded universal human rights of self creation of women empowering each other and of transcendent glamor *Bibliographic Guide to Art and Architecture* New York Public Library. Authorized translation by Violette M. Montagu. [With illustrations.]* Joseph TURQUAN, Violette M. MONTAGU, 1913 **Pierre-Joseph Redouté** Katherine Anne Porter, 1950 Memoirs of the Empress Josephine (Complete) Claire Élisabeth Jeanne Gravier de Rémusat, 2020-09-28 NOTWITHSTANDING the date of the year in which I undertake this narrative I shall not seek to excuse the motives which led my husband to attach himself to the person of Bonaparte but shall simply explain them In political matters justifications are worth nothing Certain persons having returned to France only three years ago or having taken no part in public affairs before that epoch have pronounced a sort of anathema against those among our fellow citizens who for twenty years have not held completely aloof from passing events If it be represented to them that nobody pretends to pronounce whether they were right or wrong to indulge in their long sleep and that they are merely asked to remain equally neutral on a similar question they reject such a proposition with all the strength of their present position of vantage they deal out unsparing and most ungenerous blame for there is now no risk in

undertaking the duties on which they pride themselves And yet when a revolution is in progress who can flatter himself that he has always adopted the right course Who among us has not been influenced by circumstances Who indeed can venture to throw the first stone without fear lest it recoil upon himself Citizens of the same country all more or less hurt by the blows they have given and received ought to spare each other they are more closely bound together than they think and when a Frenchman mercilessly runs down another Frenchman let him take care he is putting weapons to use against them both into the hands of the foreigner Not the least evil of troubled times is that bitter spirit of criticism which produces mistrust and perhaps contempt of what is called public opinion The tumult of passion enables every one to defy it Men live for the most part so much outside of themselves that they have few opportunities of consulting their conscience In peaceful times and for common ordinary actions the judgments of the world replace it well enough but how is it possible to submit to them when they are ready to deal death to those who would bow to them It is safest then to rely on that conscience which one can never question with impunity Neither my husband s conscience nor my own reproaches him or me The entire loss of his fortune the experience of facts the march of events a moderate and legitimate desire for easier circumstances led M de R musat to seek a place of some kind in 1802 To profit by the repose that Bonaparte had given to France and to rely on the hopes he inspired was no doubt to deceive ourselves but we did so in common with all the rest of the world *Extract from Commentaries to Les Roses by P.
