*Roses For Brian* Judy Alt, 2004-08 A journal of letters from mother to son forms the basis for Judy Alt to let you into the painful world and torment of a grieving parent She finds herself in the depths of depression even attempting to take her own life In *Roses For Brian* Judy allows you into the agonizing nightmare of darkness and horror that parents find themselves in when a child dies Through the letters you walk with her on the jagged path from a mother's shattered heart toward a mother's spiritual renewal Her refusal to believe that Brian was gone just gone begins her search to find him Not only does she truly find her son Brian she finds comfort peace and a new way at looking at life along the way With warmth and passion she shares the roller coaster of emotions she endured and introduces you to Brian The bond they forged in life was strengthened when he crossed the veil into spirit By his energy Brian leads his mother into situations and circumstances that lift the clouds from her pain filled eyes Her experiences lead her to yoga meditation mediums and ultimately to see the wisdom of her own soul In finding Brian she finds herself her spirituality and Divine Light

[Mother Teresa's General Letters to Her Sisters](#)

Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charisma endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother

Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God *Love Letter for a Sinner* Lynn Shurr,2014-03-21 Joe Dean Billodeaux star quarterback for the New Orleans Saints faces forty and his last season of football with difficulty A young quarterback Rex Worthy waits on the bench to take over and a rapacious film star Layla Devlin wants to start an affair with Joe When his wife Nell warns her off the actress sets her sights on Rex a self-proclaimed virgin But Rex looks right past the glamorous Layla to her beleaguered assistant Tricia Welles who puts up with the star's abuse to pay her mother's medical bills She is the woman with the loving heart Rex has been seeking but convincing her of that is another matter Layla's anger at being rejected by both men turns to rage She plots revenge as the men play in Joe's last Super Bowl Some will win and some will lose in the game of love *We Celebrate Our Mother and Father* Joseph Patrick Meissner,Brian Gerard Meissner,Rose Elizabeth Meissner Vernon,Robert Charles Meissner,Anne Marie Meissner,2018-08-30 Honor thy father and thy mother This is the fourth commandment from the ten God gave us through Moses in the Bible This fourth follows the initial three signifying our duties to the Supreme Being After God our next obligation is to our parents This shows the importance of parents Notice the word is honor It does not say obey but honor certainly includes obedience Furthermore this commandment does not end when we each reach maturity The commandment of honor signifies we must respect our parents all their lives Our mother was Norah Attracta Cusack Our father was Joseph Charles Meissner By the usual social standards they were very ordinary people on this planet However they possessed their own wonderful beauty and intelligence They were most extraordinary parents who welcomed us to life took care of our needs ensured we received great educations and devoted their lives unselfishly to us for decades But they gave us much more than our mere bodies They gave us faith hope and love during their long lives They showed us how to live as God urges us to live They continuously nourished us spiritually from our mother's nightly demands to kneel in the living room praying the rosary to our Blessed Virgin to our father who drove us even in the blinding snow freezing cold and storms to church every week ensuring we arrived on time Here are words from my brother Robert for our parents As for our son Scott who suffering from severe PTSD ended his life I agree he is somewhere around and still present in the universe So are our mom and dad I think after we die we will learn how all this is done you know Mom and Dad are the greatest proof of God religion and an afterlife They were so good and worked tirelessly for our family If you asked them about religion the church and faith they might say it really doesn't matter except you treat your fellow human beings with dignity and acknowledge God as Father The rest of the argument really doesn't mean that much So to Mom and Dad we celebrate your lives and say an enormous thank you
