critical parlance to say that the Indian English women's writing is in ascendance. One aim of this bibliography is to illustrate this phenomenon and to emphasise the variety of writing. Writers included in the bibliography come from all over India and from the Indian diaspora all over the world. Another aim of this bibliography is to make us aware of the constructed nature of writerhood. A given writer's texts do not exist and circulate in a vacuum but in a context. We can see that Indian English women's writing is taking place. But what we do not see is the critical establishment that is literary scholars and critics taking much note of it.
