Kellie's Diary: Decay of Innocence Thomas Jenner,Angeline Jenner,2013-09-25 A series of diary entries through the eyes of a little girl as she tries to survive the end of the world Surrealistic and haunting this story gets under the skin like a virulent infection Jenner s slightly twisted yet subtle narrative as seen through Kellie s innocent eyes is compelling George Wier Mystery Author Bill Travis Mysteries This is a collection of the first 3 parts of the Kellie s Diary series including 2 additional short stories This book is entirely from the viewpoint of a little girl writing to her diary You meet Kellie a bright and inquisitive child living the typical suburban life with her family She goes to school complains about lunch and thinks boys are gross She also writes daily entries into her diary whom she calls Barbie However her world is turned upside down when a strange illness takes over the city during a massive outbreak Kellie finds herself completely alone and stranded Follow Kellie s journey as she ventures out into the world braving dangers of all kinds both natural and unnatural She must learn to

survive based on her own wits and she will also learn which instincts she should trust all the while telling Barbie what is going on and what she's thinking Be prepared it is quite sad seeing all the death and destruction through a child's eyes but I'm telling you it is worth it in the end Blood Sweat Books This book actually handles the genre in exactly the right way The writers obviously didn't think How can I make my zombies special Instead they asked What's an interesting story I can tell within the context of a zombie apocalypse That in my opinion is the best route a writer can take Telling the story of a zombie apocalypse through the eyes of a child is a fun approach and is handled wonderfully Brandon Hale Author of Day Soldiers
