The Ross Forgery William H. Hallahan, 2019-10-22 Ingenious crime fiction with a twisting shocker of a conclusion You wouldn't believe so much suspense and tension could be generated The Washington Post A Texas millionaire has everything under the sun including an impressive collection of Thomas J Wise forgeries He is the envy of every twentieth century book collector He is also the nemesis of New York tycoon Emmett O Kane who has everything under the sun but a Wise folio O Kane commissions Edgar Ross a brilliant down at the heels type designer to make him a Wise folio to create a forgery of a forgery But he wants Ross to go one step further He wants a Wise forgery that doesn't exist Ross knows this is not only an illegal undertaking it is an impossible one But he owes the Family a large gambling debt and he knows that the Family collects its debts in brutal often fatal ways Electrifying spellbinding beautifully plotted a terrific climax don t miss it The New York Times Fascinating The Times London **Faking Literature** K. Attorney General's Office, 1899 **Keeper of** the Children William H. Hallahan, 2019-10-22 The New York Times bestselling author of The Search for Joseph Tully delivers a mixture of horror and occultism told with driving force The New York Times Eddie Benson is a typical middle class father with a secure job a home in suburban Philadelphia and a seemingly happy family For Benson life holds no fear or terror Then something unusual happens One day his daughter Renni a normal fun loving fourteen year old disappears Soon after Eddie finds her wandering the streets of Philadelphia with a band of children Dressed in orange robes they bear drums and tambourines and cymbals Moving through the crowds they dance and sing and proffer metal bowls for coins The children refuse to return to their homes The youngsters their parents have learned are living with a mysterious Tibetan monk with strange otherworldly powers What follows is a series of bone chilling incidents each more violent than the last all inexplicable Only Eddie Benson will not abandon hope And to rescue his child Eddie must run a terrible risk one that could cost him his life and his soul Hallahan improbably makes it work A careful and serious writer making the absurd plausible and wringing satisfying suspense out of it Too Much Horror Fiction Foxcatcher William H. Hallahan, 2019-10-22 Former CIA agent Charlie Brewer finds himself the bait in a trap set by the United States and Iran Best thriller I ve read in years The Washington Post Meet Robert McCall a man sinking deep into the seamy underside of intelligence work into activities he knows are both illegal and immoral Now McCall sees a chance to redeem himself by thwarting a daring plot to smuggle America's most lethal high tech war material to Iran It's a chance he s ready to kill for The likely victim Charlie Brewer a brilliant embittered former intelligence operative who is desperate for answers He was framed for an illegal arms deal and doesn t know why he s been released from prison and doesn t know why he thinks he s been marked for murder and doesn t

know why When Brewer is approached by Iran s most ruthless secret agent he realizes treason may be the price of survival Up there with The Day of the Jackal for consistently sustained excitement Gregory McDonald The pace is smoothly breakneck the plot wonderfully intricate and clear the characters richly diverse The pleasure of this satisfying thriller is increased by its effective humor and some delicious twists at the end Publishers Weekly Report of ...
