Quentin had been shot down and killed over France Suffering from grief and guilt marginalized by world events the great glow that had been his life was now but a dimming lantern But TR s final years were productive ones as well he churned out several instant books that promoted U S entry into the Great War and he was making plans for another run at the Presidency in 1920 at the time of his death Indeed his political influence was so great that his opposition to the policies of Woodrow Wilson helped the Republican Party take back the Congress in 1918 However as William Hazelgrove points out in this book it was Roosevelt s quest for the vigorous life that ironically may have led to his early demise at the age of sixty The Old Lion is dead TR s son Archie cabled his brother on January 6 1919 and so too ended a historic era in American life and politics

The Great Cowboy Strike Mark Lause,2018-01-16 When cowboys were workers and battled their bosses In the pantheon of American icons the cowboy embodies the traits of rugged individualism independent solitary and stoical In reality cowboys were grossly exploited and underpaid seasonal workers who responded to the abuses of their employers in a series of militant strikes Their resistance arose from the rise and demise of a beef bonanza that attracted international capital Business interests approached the market with the expectation that it would have the same freedom to brutally impose its will as it had exercised on native peoples and the recently emancipated African Americans These assumptions contributed to a series of bitter and violent range wars which broke out from Texas to Montana and framed the appearance of labor conflicts in the region These social tensions stirred a series of political insurgencies that became virtually endemic to the American West of the Gilded Age Mark A Lause explores the relationship between these neglected labor conflicts the range wars and the third party movements The Great Cowboy Strike subverts American mythology to reveal the class abuses and inequalities that have blinded a nation to its true history and nature *Buckley O'Neill of Arizona* Jeanette Eaton,1949 Roosevelt's Rough Riders Andrew Santella,2006 Discusses the unique group of men known as the Rough Riders and the role they played in the Spanish American War **Ghosts of the Grand Canyon** Brian-James Martinez,Judy Martinez,2019-04-08 Stare Deep into the Abyss and the Ghosts Stare Back With its breathtaking views amazing depths and terrifying ghosts ghouls and UFOs the Grand Canyon is indeed worthy of its title as one of the greatest natural and supernatural wonders in the world This incredible book invites you to journey into the canyon s most haunted locations and explore first hand accounts of spirits and unexplainable events Ghosts of the Grand Canyon is packed with extraordinary true tales from people who have encountered the paranormal in and around this awe inspiring hotspot Authors Judy and Brian James Martinez present the history of these sites their significance to locals and tourists alike and the facts legends and speculations about what caused such horrific hauntings Also featuring photos of the canyon s breathtaking views and spookiest sites this book dares you to look deep into the abyss and discover what lurks there *Major Alexander O.
