Rough Jamaica:

White Lies Julie Salamon, 2014-08-19 *White Lies* is the eloquent story of one woman's narrow escape from the confusion of her time. With insight and humor *White Lies* follows Jamaica's struggle for survival and integrity in an age of anxiety as she tries to reconcile herself to the overwhelming inauthenticity she feels in the face of her mother and father's lives. Dr. and Mrs. Just came to America from the death camps of Europe and secluded themselves in the Bible Belt determined to shield their daughters from the horror they had survived. They wanted to live and to forget but that wasn't always possible. Sometimes the fierceness and the pain were revealed but never explained. Only with the unintentional assistance of an intimate stranger does Jamaica begin to grasp how her parents were able to make peace with their past. *Caribbean Currents* Peter Manuel, Kenneth Bilby, Michael Largey, 2012-06-20 The classic introduction to the Caribbean's popular music brought up to date. **Dictionary of Jamaican English** Frederic G. Cassidy, Robert Brock Le Page, 2002 Originally published by Cambridge University Press in 1967 and then revised as a second edition in 1980 this classic study has never before been available in a paperback edition. This method and plan of the dictionary are basically those of the Oxford English Dictionary but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655. The dictionary is a mine of information about the Caribbean and its dialects about the history of English and its dialects and about Creole languages and general linguistic processes. Entries give the pronunciation, part of speech and usage labels, spelling variants, etymologies and dated citations as well as definitions. Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries: Suriname, Guyana, Trinidad, Barbados, Nicaragua and Belize. A General System of Nature ...
