Doyle,2022-03-19 Round the Red Lamp Being Facts and Fancies of Medical Life Arthur Conan Doyle Round the Red Lamp Being Facts and Fancies of Medical Life is a volume collecting 15 short stories written by Arthur Conan Doyle These are medical and fantasy stories The idea has been suggested to Conan Doyle by Jerome K Jerome two years before when he was editor of The Idler The red lamp was the usual sign of the general practitioner in England wrote Conan Doyle in the preface Preface Being an extract from a long and animated correspondence with a friend in America I quite recognise the force of your objection that an invalid or a woman in weak health would get no good from stories which attempt to treat some features of medical life with a certain amount of realism If you deal with this life at all however and if you are anxious to make your doctors something more than marionettes it is quite essential that you should paint the darker side since it is that which is principally presented to the surgeon or physician He sees many beautiful things it is true fortitude and heroism love and self sacrifice but they are all called forth as our nobler qualities are always called forth by bitter sorrow and trial One cannot write of medical life and be merry over it Then why write of it you may ask If a subject is painful why treat it at all I answer that it is the province of fiction to treat painful things as well as cheerful ones The story which wiles away a weary hour fulfils an obviously good purpose but not more so I hold than that which helps to emphasise the graver side of life A tale which may startle the reader out of his usual grooves of thought and shocks him into seriousness plays the part of the alterative and tonic in medicine bitter to the taste but bracing in the result There are a few stories in this little collection which might have such an effect and I have so far shared in your feeling that I have reserved them from serial publication In book form the reader can see that they are medical stories and can if he or she be so minded avoid them Yours very truly A CONAN DOYLE P S You ask about the Red Lamp It is the usual sign of the general practitioner in England **Round the Red Lamp (Annotated)** Arthur Conan Doyle, Sir,2015-12-24 A strikingly realistic and decidedly original contribution to modern literature Boston Saturday Evening Gazette **Round the Red Lamp** Arthur Conan
