Round Rock Michelle Huneven, 2011-03-02 In a small town among the citrus groves in the Santa Bernita Valley so the locals claim nothing ever goes according to plan It s a great place to live they say if you like surprises it s just like life only different Certainly a number of Rito s inhabitants fewer than a hundred in all are surprised to be living here Red Ray for instance a wildly alcoholic lawyer who bought a dilapidated Victorian mansion in an attempt to rehabilitate his marriage and regain the affections of his wife and young son After destroying those hopes with a spectacular final binge Red established a drunk farm Round Rock on the ruins There one day at a time he follows his new unexpected calling Many months after her husband decamped almost immediately for Los Angeles Libby Daw still lives alone in their trailer and finds herself even more rooted to the valley she dreams of escaping And there s Lewis Fletcher a sometime graduate student whose keen intelligence is sorely tested by his erratic behavior and current predicament Without exactly knowing why and entirely against his wishes or by default and sheer good luck he finds himself placed in Ray s care at Round Rock As these people seek out or maintain their various niches in the valley the peculiar history of the place asserts itself An heiress descended from the original settlers Billie Fitzgerald still acts as though she owns it all devoted to her father and son she obscures her mercurial emotions from even her closest friends The past also returns with David Iba ez whose family had harvested the groves for generations and whose talents and secrets and thus he discovers his future are inextricably bound to the complex close knit town he thought he had left behind With insight matched with artistry Michelle Huneven traces the emerging destinies of these characters as each of them struggles for peace and equilibrium even happiness and love against hapless all too human frailty and circumstance A vivid evocation of landscape and community Round Rock derives great power from psychological subtlety and from affection for and profound understanding of lives strained or broken but on the mend Fresh remarkably mature and constantly surprising this astonishing debut wins both your trust and your heart **Baseball America 2025**

Mysterious and unspeakable murder broken families and squandered dreams Austin Chronicle A Defiled Body On January 11 1995 deputies outside Austin Texas found a mutilated body laid across a cold campfire head destroyed hands cut off skin singed by fire In less than three days they had the kill zone a small apartment where shy Christopher Hatton was shot at point blank range in his bed The Stripper And The Loser Stephanie Lynn Martin despite her devout Southern Baptist upbringing was reborn as a sultry stripper and calendar girl William M Busenburg was a good looking wannabe living his own lies They came together in an explosion of violence and sex Then they decided there was only one thing missing from their romance murder The Thrill Of The Kill But within days they were under arrest and savvy prosecutors learned the ugly truth behind the senseless slaughter of Busenburg s friend How twisted fantasies of murder fueled the couple s lust and led to the unspeakable crime And how they both tried to cover up their heinous deed until they finally ran out of lies With 16 Pages Of Shocking Photos Passages Janet Caldwell, 2012-03 The expressions found within the pages of this book are an attempt to take you on a journey from darkness into the light I have seen the shadows that haunt me and the glorious light that enveloped me in love I have found that as long as I look into the light of my Father the shadows are behind me Only when I look into the face of them and dwell there do I have the propensity to be swallowed by them I have learned that they are harmless to me as long as I do not engage It s easy to become depressed or sad and let them swallow you whole like a cold drink of water on a hot day in hell My poetry has always been cathartic for me and I know it will be for you The poetry and prose in this book are a reflection of my journey of stepping in and out of the light Finally to be embraced by love acceptance of self and more importantly to love all of God s creation and myself It was not an easy road but I would not have changed it for the world I know the poems in this book will make you laugh cry feel love and experience righteous indignation at times It has been an honor to share my words again and I thank you in advance for reading Blessings of love peace Janet Caldwell Saving the Whales D.
