**American Loyalist Troops 1775-84** René Chartrand, 2013-01-20 To celebrate the 450th title in the Men at Arms series this book examines in much more depth than previously the units and the uniforms of a still controversial army the many thousands of American colonists who chose to fight for King George during the Revolution As well as the better known corps from the Atlantic seaboard the author covers the units raised for service against the Spanish in the Floridas the Caribbean islands and Central America The text is illustrated with portraits photographs of rare surviving artefacts and with color reconstructions by Gerry Embleton the respected expert on 18th century American forces whose work was recently exhibited in the Smithsonian Institute *The Indiana Weekly*, 1901 Pocket Chart of Co-operative Life, Accident & Fraternal Associations ..., 1902 Temples of Luxury Lise Sanders, Susanne Schmid, 2023-11-30 This two volume collection of British primary sources examines institutions such as hotels inns arcades bazaars co operatives shops and department stores in the long nineteenth century which were often coded as luxurious This period was marked not only by an increase of individual consumerism but also by the institutionalisation of opulent often purpose built spaces such as the much admired new grand hotels supposedly an American invention and department stores modelled on the French grands magasins These environments were tied to leisure no longer a prerogative of the upper classes and thus to modernity In addition to addressing the luxurious side of these institutions including architectural innovation and interior decoration we also consider the other side of luxury examining the experience of staff and period debates over the morality of consumption This edition seeks to explore a fascinating but hitherto often neglected side of the British nineteenth century by bringing together a collection of annotated primary texts and visual material documenting these temples of luxury as they were seen by their contemporaries
