Prayer, providence and empire Joseph Hardwick, 2021-08-10 European settlers in Canada Australia and South Africa said they were building better Britains overseas But their new societies were frequently threatened by devastating wars rebellions epidemics and natural disasters It is striking that settlers turned to old traditions of collective prayer and worship to make sense of these calamities At times of trauma colonial governments set aside whole days for prayer so that entire populations could join together to implore God's intervention assistance or guidance And at moments of celebration such as the coming of peace everyone in the empire might participate in synchronized acts of thanksgiving Prayer providence and empire asks why occasions with origins in the sixteenth century became numerous in the democratic pluralistic and secularised conditions of the British world
