pond that looked like it was alive and as clear as glass Even though he was in a beautiful place Prince Oliver s story was anything but normal Someone had had cursed Prince Oliver to stay a frog until he found true love He used to be a beautiful prince A long time ago Prince Oliver was a charming young man who was liked by everyone in the country because he was brave kind and looks so good His eyes sparkled like gems and his smile could melt hearts He lit up any room he walked into As the prince walked around the palace grounds one fateful evening he came across a mysterious woman Her dark hair fell down her back and her eyes showed things that no one could understand She was a witch who had been watching Prince Oliver from afar because she liked how he looked and how he behaved The sorceress went up to the prince with a fake sense of respect She was actually jealous and mean She purred You are a sight to behold Prince Oliver and I wish to offer you a gift as a token of my admiration The prince who was always kind and innocent took her up on her offer He didn t know that the witch was after bad things The beautiful prince turned into a little green frog when she cast her spell with a sneaky glint in her eye She laughed as she faded into the darkness and said You will stay in this form until someone really loves you for who you are Oliver Prince had tears in his eyes He was left alone by the pond in the lovely forest and now his royal life is just croaks and hops The curse was like a thick fog over him and he had no idea when or how it would go away Even though he had changed he was still kind and gentle and he hoped that someone would recognize him as the prince he used to be To break the curse and come back as a prince he hopped around the pond every day In the forest the prince met many frogs and other animals They were all nice and inviting but he felt like he was meant for more He wished he had a real friend who could see the prince in him even though his skin was green and slimy     [The Time Traveler's Guide to Medieval England](#) Ian Mortimer,2011-10-25 Previously published in hardback by Simon originally published London Bodley Head 2008

Ascendance of a Bookworm: Part 5 Volume 1 Miya Kazuki, 2022-11-30. Ehrenfest's first winter without Ferdinand is colder and more oppressive than usual. A surprise betrayal within the former Veronica faction makes the purge even more urgent, and the few who know about Georgine's destructive goals compare her to the Goddess of Chaos. Meanwhile, Rozemyne throws herself into her third year at the Royal Academy, trying to stave off the loneliness by eating away at her. She pushes to win over the students of the former Veronica faction, hoping to save their lives, and meets a new archnoble librarian sent from the Sovereignty. Rozemyne also attends her first class of the archduke candidate course, though her personal ambitions mean she is taking the scholar course as well. In the midst of this balancing act, she finds that her environment has changed drastically once again. Here begins Part 5, the final chapter of this biblio fantasy, and the legend of the saint grips Yurgenschmidt to the core. Includes two short stories and four panel manga by You Shiina. **Ascendance of a Bookworm: Part 5 Volume 3** Miya Kazuki, 2023-04-05. After yet another fever, Rozemyne awakes to some shocking news: the Sovereign knights captured for interrupting her dinner match might have been under the influence of trug. The suspicion brings to mind a recent incident with Lady Georgine, but Rozemyne decides to leave the matter to the adults. The Interduchy Tournament is just around the corner, and the students of Ehrenfest need to prepare to socialize with other duchies and the royal family. As the end of the school term draws near, so too does a long-awaited reunion. Ferdinand is due to spend the night of the Interduchy Tournament in Ehrenfest's tea party room, and as Rozemyne struggles to keep her emotions under control, she makes an unwavering declaration: "I will do everything in my power to welcome him." Rozemyne's book-driven rampage continues, and events happen back to back in the newest volume of this biblio fantasy. Includes two short stories and four panel manga by You Shiina.
