Huegel, 2022-03-30 This book is divided in two parts The first part is the story the Bible tells of God's presence in the world beginning with creation and the rebellion of the first humans followed by God's project of restoration in the chosen people of Israel its fulfillment in the death and resurrection of Jesus and the final consummation at the end of time The second part is an exposition of what the Bible teaches our response to the story should be The author points out that the Holy Spirit reveals to us our union with Christ in his death and resurrection This enables us then to practice the virtues that lead to holiness which is the foundation of our vocation as kings and priests Royal Priesthood Thomas F. Yoder,1998-12-11 Readers will discover that it is not possible to disengage John Howard Yoder s practice of ecumenical dialogue from his vision of the church Yoder s approach to ecumenical dialogue correlates with his conception of the faithfulness of the church His vision of the church poses challenges for Christians of all communions because he calls both for disciplined dialogue and for faithful servanthood that renders the confession of Jesus Christ s lordship meaningful This collection of 17 essays on themes ecclesiological and ecumenical is intended to demonstrate the substantial unity of Yoder s work over the past four decades Many of these essays are often cited by researchers but have been till now unobtainable Three of these texts have never been published before Editor Michael Cartwright has contributed a substantial introduction on the Yoderian project and a select bibliography prepared by Mark Nation catalogs Yoder s writings published and unpublished on ecclesiology and ecumenism **The Priesthood of All Believers and the Missio Dei** Henry Joseph

Voss,2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood **A Royal Priesthood?** Craig G.

Discover your true identity in Christ and fulfill your destiny Answer the call of God in your life and cultivate your spiritual gifts and talents for the kingdom of God that is taking dominion over evil forces on earth and sharing your testimony as a witness for Christ *The King-Priest in Samuel* Nicholas Majors,2023-05-23 Scholars studying the ANE have noticed that Canaanite kings ruled as a representative of their god and served in a priestly role Yahweh allows Israel to have a king like all the nations Deut 17 14 but he shapes the monarchy according to his covenant A key question remains does God s allowance for a king like all the nations include a king priest model This study presents a synchronic view of the king as a

priest within the MT of Samuel analyzing the motif and considering how the narrator heightens the hope for the coming anointed one whom the narrator describes as both king 1 Sam 2 10 and priest 2 35 36 This study will argue that from the monarchy's inception Yahweh considered Israel's kingship a sacral task My study examined the king as a priest through a synchronic literary theological approach **The Japan Talks** Norman P. Grubb, 2009-09-04 TH E JA PA N TA LKS are a series of addresses Norman Grubb gave in 1954 at the Evangelical Missionary Association of Japan and Deeper Life Conference in Karuizawa Japan In these eight days of love and fellowship he pours out his own missionary heart to them as only one who has walked their walk can do We the reader also profit from his wisdom as he thoughtfully develops each stage of our union with Christ from the beginnings of our new birth to our entire sanctification and finally as intercessors for our worlds Little children Young men Fathers Throughout the days shared we find Normans life motto Not God and but God only

Abuse, Power and Fearful Obedience Jennifer G. Bird, 2013-05-01 Jennifer G Bird analyzes the construction of wives subjectivity in 1 Peter working primarily with what is referred to as the Haustafel household code section and engaging feminist critical questions postcolonial theory and materialist theory in her analysis Bird examines the two crucial labels for understanding Petrine Christian identity aliens and refugees and royal priesthood and holy nation And finds them to stand in start contrast with the commands and identity given to wives in the Haustafel section Similarly the command to honour the Emperor which immediately precedes the Haustafel engenders a rich discussion of the text's socio political implications The critical engagement of several symptomatic irruptions within the commands to the wives uncovers the abusive dynamic underlying this section of the letter Finally Bird considers the present day implications of her study Publisher description

Christian doctrine with important implications for the global church In Representing Christ Uche Anizor and Hank Voss explore the doctrine in its biblical historical theological and practical dimensions **Studies of the Letters of Peter**

Dennis Dinger,2013-11-19 The first letter written by Peter focuses on persecution and suffering of God s people caused by sources outside the church The second letter focuses on enticements by false prophets false teachers and deceivers from within the church The sufferings about which Peter warned occur simply because believers represent Christ on earth The enticements about which Peter warned produce negative results because believers are distracted and not focused on knowing God Jesus or God s Word These are wonderful letters from an apostle of Jesus Christ who lived a long productive Christian life after having witnessed Jesus 31 2 year ministry Melchizedek's Blessing: A Priest and a King Ahmed musa,2024-12-13 In this book we will explore Melchizedek s story in greater depth examining his role as a priest king and blessing in the context of biblical history and theology We will explore how his priesthood foreshadows the eternal priesthood of Christ how his kingship points to the reign of Jesus as the Prince of Peace and how his blessing of Abraham continues to echo throughout the pages of Scripture Through this exploration we will discover the lasting significance of Melchizedek s life and how his story continues to shape our understanding of God s redemptive plan
