With eight to fifteen images per species the key identification features of each bird are shown with concise descriptions and pointers to indicate important features. This guide is produced in association with BirdWatch Ireland, Ireland's leading bird conservation organisation. The purchase of this guide contributes funds to BirdWatch Ireland's conservation and education initiatives to help protect and promote Ireland's wild birds and habitats similar to Ireland's Garden Birds by Jim Wilson and Oran O Sullivan. **BBC Wildlife**, 2006. **Birds**, 2006. *The British National Bibliography* Arthur James Wells, 2006.
