A white baby named Andy MacDuff is captured in a raid by the great Apache chief Geronimo, adopted by the Indian leader and raised by his youngest wife. The boy grows up such an expert hunter that he kills a black bear when he is only ten years old and receives the name Shoz Dijiji the Black Bear. As he grows to young manhood he becomes an expert fighter and falls in love with a beautiful Indian maiden named Ish kay nay. This is the original Argosy Allstory Weekly pulp magazine text published in 1927. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience. **Savage's Woman** Loki Renard, 2014-02-20 Over the past few years smart mouthed savant Zora Matthews has been kidnapped, incarcerated, soundly spanked and forced to work for both the government and rogue mercenary forces alike. It's been a rough ride for the independent and oh so rebellious brat who bows to no man save one. Now she's free and finally with the hard nosed military man who started the whole troublesome saga by snatching her out of her life and putting her firmly over his knee. As long as they keep their heads down they can live a normal life or so they think. It turns out that being normal is much more difficult than either Zora or Savage anticipated. When the military discovers their location and Zora and Savage must leave their simple life go on the run, one last time she can't help but notice that he doesn't seem to mind too much. Whilst hiding Zora has to face the issues they've both been avoiding. Can they ever run far enough to escape the government? And does Savage really want to? In the fast paced hard hitting conclusion to the Military Discipline series Zora and Savage must face the ultimate obstacles to their love themselves. *Diehard Rebels* Jason Phillips, 2007 Concentrates on diehard rebel soldiers' faith in Confederate invincibility and reveals the history of southern culture as a continuum rather than a succession of old South Confederacy, new South. Nemesis Adrian G. Marshall, 2015-10-23 The Nemesis was the first of a generation of iron clad steam powered naval vessels that established British dominance in Asian waters in the nineteenth century. The world's first iron warship, the first vessel with truly watertight compartments and the first iron vessel to round the Cape of Good Hope.

Nemesis represented a staggering superiority over the oar and sail powered naval forces of Britain's Asian rivals Yet strangely her story has never been told to modern audiences and her origins and actions have until now been shrouded in mystery This lively narrative places her in the historical context of the last years of the East India Company and in the history of steam power and iron ships It tells of her exploits in the First Opium War in pirate suppression and naval actions across Asia from Bombay to Burma to the Yangtze River and beyond **The View from the Ground** Aaron

Sheehan-Dean,2006-12-22 Civil War scholars have long used soldiers diaries and correspondence to flesh out their studies of the conflict's great officers regiments and battles However historians have only recently begun to treat the common Civil War soldier's daily life as a worthwhile topic of discussion in its own right The View from the Ground reveals the beliefs of ordinary men and women on topics ranging from slavery and racism to faith and identity and represents a significant development in historical scholarship the use of Civil War soldiers personal accounts to address larger questions about America's past Aaron Sheehan Dean opens The View from the Ground by surveying the landscape of research on Union and Confederate soldiers examining not only the wealth of scholarly inquiry in the 1980s and 1990s but also the numerous questions that remain unexplored Chandra Manning analyzes the views of white Union soldiers on slavery and their enthusiastic support for emancipation Jason Phillips uncovers the deep antipathy of Confederate soldiers toward their Union adversaries and Lisa Laskin explores tensions between soldiers and civilians in the Confederacy that represented a serious threat to the fledgling nation's survival Essays by David Rolfs and Kent Dollar examine the nature of religious faith among Civil War combatants The grim and gruesome realities of warfare and the horror of killing one's enemy at close range profoundly tested the spiritual convictions of the fighting men Timothy J Orr Charles E Brooks and Kevin Levin demonstrate that Union and Confederate soldiers maintained their political beliefs both on the battlefield and in the war's aftermath Orr details the conflict between Union soldiers and Northern antiwar activists in Pennsylvania and Brooks examines a struggle between officers and the Fourth Texas Regiment Levin contextualizes political struggles among Southerners in the 1880s and 1890s as a continuing battle kept alive by memories of and identities associated with their wartime experiences The View from the Ground goes beyond standard histories that discuss soldiers primarily in terms of campaigns and casualties These essays show that soldiers on both sides were authentic historical actors who willfully steered the course of the Civil War and shaped subsequent public memory of the event The Hermes Complex Charles Le Blanc,2012-10-06 The English
