Scars And Stripes:

Scars and Stripes Tim Kennedy, Nick Palmisciano, 2024-01-09 From decorated Green Beret sniper UFC headliner and all around badass Tim Kennedy a rollicking inspirational memoir offering lessons in how to embrace failure and weather storms in order to unlock the strongest version of yourself Tim Kennedy has a problem he only feels alive right before he's about to die Kennedy a Green Beret decorated Army sniper and UFC headliner has tackled a bull with his bare hands jumped out of airplanes dove to the depths of the ocean and traveled the world hunting poachers human traffickers and the Taliban But he's also the same man who got kicked out of the police department fire department and as an EMT before getting two women pregnant four days apart and finally been beaten up by his Special Forces colleagues for quite simply being a selfish asshole In Scars and Stripes Kennedy describes how these failures shaped him into the successful businessman and devoted husband and father he is today Through unbelievably vivid wild anecdotes Kennedy reveals all the dumb violent embarrassing and undeniably heroic things he's done in his life including multiple combat missions in Afghanistan building a school in Texas for elementary kids and creating two multimillion dollar businesses You will learn that failure isn't the end rather it's the first step towards unearthing the best version of yourself and finding success no matter how overwhelming the setbacks may feel
