Long-Distance Nationalism Zlatko Skrbiš, 2017-07-05 Focusing on Croatians and Slovenians in Australia this book examines the factors that influence the existence nature and intensity of ethno nationalism in the migrant context The presence and transmission of ethno nationalism between migrant settings homelands and across generations are explored

Long-Distance Nationalism Zlatko Skrbiš, 2017-05-16 How strong and how significant is the interaction between migrants and homelands in the late 20th century Have the processes of globalization and transnational interaction produced new forms of nationalism or at least altered the old ones By using Croatians and Slovenians in Australia as examples this book examines the extent to which migrants are influenced by historical and contemporary processes of migration mediated through political and cultural symbolism What are the factors which influence the existence nature and intensity of ethno nationalism in the migrant context The study analyses both the existence and transmission of ethno nationalism between migrant settings and homelands and specifically deals with the transmission of ethno nationalism sentiments across migrant generations To understand the effects and consequences of long distance nationalism fully the book proceeds from an analysis of nationalism s public manifestations to an analysis of the relatively private domain of diasporic ethno communal existence

Diasporas and Homeland Conflicts Bahar Baser, 2016-03-09 As violent conflicts become increasingly intra state rather than inter state international migration has rendered them increasingly transnational as protagonists from each side find themselves in new countries of residence In spite of leaving their homeland the grievances and grudges that existed between them are not forgotten and can be passed to the next generation This book explores the extension of homeland conflicts into transnational space amongst diaspora groups with particular attention to the interactions between second generation migrants Comparative in approach *Diasporas and Homeland Conflicts* focuses on the tensions that exist between Kurdish and Turkish populations in Sweden and Germany examining the effects of hostland policies and politics on the construction shaping or elimination of homeland conflicts Drawing on extensive interview material with members of diasporic communities this book sheds fresh light on the influences exercised on conflict dynamics by state policies on migrant incorporation and multiculturalism as well as structures of migrant organizations As such it will be of interest to scholars of sociology political science and international studies with interests in migration and diaspora integration and transnational conflict

Transnationalism, Diaspora and Migrants from the former Yugoslavia in Britain Gayle Munro, 2016-09-13 The geo political area of what once constituted Yugoslavia has been a region of significant migration since the 1960s More recently the conflicts in the region were the catalysts for massive displacements of individuals families and whole communities Thus far there has been a gap in the literature on the qualitative experience of migrants from the former Yugoslavia through the twin theoretical lenses of transnationalism and diaspora This book offers an ethnographic account of migration and life in diaspora of migrants originating from the former Yugoslavia and now living in Britain Concepts such as

the development of cultural beacons and diasporic borrowing are introduced through the ways in which migrants from the region form community associations and articulate or avoid such affiliations The study examines the ways in which the experience of migration can be shaped by the socio political contexts of departure and arrival and considers how the lexicon associated with the act of migration can weave itself into the identities of migrants The ways in which the transnational and diasporic spaces are dictated by certain narratives for example the allegory of dreaming and the language of guilt are explored It also investigates migrants ongoing connection with the homeland considering social and cultural elements their reception in UK and British media representations of Yugoslavia Contributing to the knowledge on the experiences of migrants from a part of the world which has been under researched in terms of its migrating populations this book will be of interest to students and scholars of Political Geography Social Geography Eastern European Politics and Migration and Diaspora studies

Displacements and Diasporas Wanni W. Anderson, Robert G Lee, 2005-05-26 Asians have settled in every country in the Western Hemisphere some are recent arrivals other descendents of immigrants who arrived centuries ago Bringing together essays by thirteen scholars from the humanities and social sciences *Displacements and Diasporas* explores this genuinely transnational Asian American experience one that crosses the Pacific and traverses the Americas from Canada to Brazil from New York to the Caribbean With an emphasis on anthropological and historical contexts the essays show how the experiences of Asians across the Americas have been shaped by the social dynamics and politics of settlement locations as much as by transnational connections and the economic forces of globalization Contributors bring new insights to the unique situations of Asian communities previously overlooked by scholars such as Vietnamese Canadians and the Lao living in Rhode Island Other topics include Chinese laborers and merchants in Latin America and the Caribbean Japanese immigrants and their descendants in Brazil Afro Amerasians in America and the politics of second generation Indian American youth culture Together the essays provide a valuable comparative portrait of Asians across the Americas Engaging issues of diaspora transnational social practice and community building gender identity institutionalized racism and deterritoriality this volume presents fresh perspectives on displacement opening the topic up to a wider more interdisciplinary terrain of inquiry and teaching

Diasporic Chineseness after the Rise of China Julia Kuehn, Kam Louie, David M. Pomfret, 2013-11-26 As China rose to its position of global superpower Chinese groups in the West watched with anticipation and trepidation For members of China's diasporic community the rise of China created ripples of change influencing communities culture and communication and even challenging the very concept of diaspora *Diasporic Chineseness after the Rise of China* examines how artists writers filmmakers and intellectuals from the Chinese diaspora responded to China's ascendancy by representing it to global audiences with a new found vitality and self assurance The chapters often personal in nature cover locations as varied as Australia North America and Tibet And yet the focus of each is the nexus between the political and economic rise of China and the cultural products this period produced a place where new

ideas of nation identity and diaspora were forged *Citizenship and Immigrant Incorporation* G. Yurdakul,2016-04-30 The contributions in this volume consider the question of migrant agency how Western societies are both transforming migrants and being transformed by them It is informed by debates on the new transnational mobility the immigration of Muslims the increasing importance of human rights law and the critical attention paid to women migrants **Return Migration and**

Nation Building in Africa Adele Galipo,2018-11-08 Return migration has received growing levels of attention in both academic and policy circles in recent years as the African diaspora s role in contributing to the development of their country of origin has become apparent However little is known about the lived experiences of those who come back and even less about the ways in which their return shapes socio political dynamics on the ground This book aims to unpack the complexities of migrant transnational experiences as situated in global political and economic processes In particular the book takes the case of the return of skilled and educated Somalis from Western Europe and North America in an attempt to recast the idea of diaspora return and transnational ethnography in a more political light and to show how these returnees are both subject to and generative of important political conditions that are transforming Somaliland society Overall the book captures the complexities of the migrant s position showing that return is rarely permanent and that success comes from perpetuating the transnational stance This book will appeal to scholars of migration diaspora development and African studies as well as to those interested in the Somali case specifically the third biggest community of refugees in the world

Muslim Diaspora in the West Haideh Moghissi,Halleh Ghorashi,2016-04-29 In view of the growing influence of religion in public life on the national and international scenes Muslim Diaspora in the West constitutes a timely contribution to scholarly debates and a response to concerns raised in the West about Islam and Muslims within diaspora It begins with the premise that diasporic communities of Islamic cultures while originating in countries dominated by Islamic laws and religious practices far from being uniform are in fact shaped in their existence and experiences by a complex web of class ethnic gender religious and regional factors as well as the cultural and social influences of their adopted homes Within this context this volume brings together work from experts within Europe and North America to explore the processes that shape the experiences and challenges faced by migrants and refugees who originate in countries of Islamic cultures Presenting the latest research from a variety of locations on both sides of The Atlantic Muslim Diaspora in the West addresses the realities of diasporic life for self identified Muslims addressing questions of integration rights and equality before the law and challenging stereotypical views of Muslims As such it will appeal to scholars with interests in race and ethnicity cultural media and gender studies and migration *Ethnographies of Development and Globalization in the Philippines* Koki Seki,2020-05-26 The contributors to this volume examine the actual workings and on the ground effects of contemporary political economic shifts in the Global South and implications for reconfiguring social networks conceptions and practices of governance and burgeoning social movements How do various groups in the Global South respond to and manage chronic

states of insecurity and precarity concomitant with contemporary globalization processes While drawing on diverse ethnographic viewpoints in the Philippines the authors analyze the impact of these processes through the conceptual framework of emergent sociality a purported connectedness among individuals fostered through interactions copresence and conviviality within a community over a long duration In so doing the case studies in this volume suggest illuminate and debate insecurities that may be commonly shared among populations in the Philippines and throughout the Global South This anthology will be of great interest to students and scholars of cultural anthropology globalization and Philippines society
