When God Has Given Clay? Rosalind Harris, 2006-04 **Quick Fix: Seven Steps to Happiness** Dr. Bonita C.

Glover, 2014-01-03 With happiness fleeing from those who once had it and becoming an elusive dream for many it is important to provide an answer to the question How do I find happiness Even though happiness is as abstract as the air we breathe both provide evidence that they exist The proof of the lack of air is death and the proof of the lack of happiness is unhappiness misery and discontentment lack of joy and gratefulness and being disgruntled and dissatisfied Happiness is obtainable when we are willing to do whatever it takes to get it In finding happiness we must remember that walking through this life is not all about us Its about who we are through the creator finding our purpose and destiny so we can live happy fulfilled lives and live life in according to the plan that was designed for us individually It is important to find happiness not only so you can live a better life but also because the mental status of parents and role models affect the mental stability of the children Unhappy situations happen every day and anyone can recall a situation of unpleasantness death divorce loss of a job demotion etc Even so the question is not whether we have been unhappy but rather whether our level of happiness over time is strong enough to bring us back to the momentum on the continuum of happiness If you are uncertain about your happiness A Quick Fix Seven Steps to Happiness offers a guide to help you find your happiness "Ten Days Mission," January, 1875. Walking With Jesus Brother Gene,2023-01-18 Of all that we do in the Christian life nothing is as important as our prayer lives Prayer must be communicating with God yet not all prayers meet that test We want to pray need to pray but sometimes the words just fall flat I have discovered that simply taking a little walk with Jesus opens the door wide open Walk and talk talk and listen He wants to hear from us and we need to hear from Him Walking with Jesus is a very good way to make it work
