Mr. Funny Pants Michael Showalter,2011-02-22 The writer and star of The State Wet Hot American Summer The Baxter and Michael Michael Have Issues brings readers his uniquely absurd humor in his hilarious first book I was at my wit's end I'd had enough of this job this life and my relationship had broken up Should I eat chocolate or go to India or fall in love Then I had a revelation Why not do all three in that order And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture Later I woke up on an airplane with a hole in my face and a really bad hangover I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke classic coke special k the drug Special K the cereal mushrooms pepperoni and Restless Leg Syndrome It was there that I first began painting with my feet But rewind the year was 1914 I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf a troll and a giant sorcerer all while cooking every recipe out of a Julia Child cookbook What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon Let me clarify it was the 1930s and a bunch of us were migrating out of Oklahoma and I was this teenage wizard CIA operative okay And um then I floated off into the meta verse as a ball of invisible energy that had no outer edge Ugh okay None of this is true I'm just kind of a normal guy from

New Jersey who moved to New York got into comedy wrote this book about trying to write this book and then moved to Alaska became the mayor of a small town spent 30 000 on underwear and now I m going to rule the world **The Naked Christ** Dan Le,2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary culture
