Senate, 1902 **Creature Storms** Ron Clinton Smith, 2012-07-09 A WW II and Korean War pilot and hero a patriotic middle American farmer who'd trusted his government with two sons in Vietnam and been betrayed in that after having his farm largely controlled by his government all his life is in jeopardy of losing his homestead of 150 years After his death his sons scramble to hold onto the farm and make sense of all this and each other A seed that Deke the middle of three sons and Barrett his friend had brought back from Vietnam seventeen years earlier and kept pure becomes a means of saving the farm but in the process the hallucinogen from the seed begins to warn them of some imminent catastrophe through raining creatures and Barrett's visions The plant the government's trying to suppress brings them signs and warnings about what their government's doing as Barrett begins seeing Vietnamese spirits or visitors in the woods and fields when he ingests the stuff Creature Storms is a rawly told and original work a grounded human story of three brothers and a blood brother their love for and struggle with each other their country and the sacrifices they make to hold onto their land which they had already risked their lives in war to protect Politically timely Creature Storms unfolds on a number of dramatic levels that build into an apocalyptic ending Look Unto Me Jim Reimann, 2008-12-30 From the pen of Charles Spurgeon This year we will gather heavenly fruit on earthly ground where faith and hope have turned the desert into the Lord's garden If men ate the bread of angels Ps 78:25 long ago why not today May God grant us the grace to feed on Jesus and thereby eat of the fruit of the land of Canaan this year Whether you are familiar with the works of this classic Christian author or discovering him for the first time Look Unto Me offers a treasury of spiritual insight and inspiration Charles Haddon Spurgeon was known as the Prince of Preachers stirring audiences from his London pulpit from 1854 to 1892 Millions more who never heard him preach read his weekly sermons Based on Spurgeon's original devotional Morning by Morning Look Unto Me has now been edited for the modern reader with updated language and additional application commentary by bestselling author Jim Reimann Look Unto Me offers 366 of Spurgeon's most powerful devotions modernizing the language without changing the meaning and adding Scripture references and quotes in the NIV Jim Reimann editor of updated editions of Streams in the Desert and My Utmost for His Highest has also added thought provoking comments to deepen your understanding of the text other Scriptures to consider as well as application and closing prayers This new edition also includes these new features Scripture quotes referenced in the context of each devotion Scripture and subject indexes Hymn quotes referenced with composer names and dates The material is profound thought provoking and life changing but easy to follow With Scripture references from literally every book of the Bible this is the perfect book to help you dig deeper into God's Word and be challenged to expand your faith If you long for a deeper walk with Christ and a richer understanding of the Christian faith that can be applied to everyday living Look Unto Me is the devotional you've been waiting for **Everybody's Magazine**, 1922 *A Real Emergency* Joanna Sokol, 2025-06-03 Introspective richly layered and surprisingly hopeful A Real Emergency is a love letter from a paramedic to the best and worst parts of her career For fifteen years Joanna Sokol filled private notebooks with

her confusion humor and anger toward the strange world of emergency street medicine As her career on the ambulance progressed she found herself taking notes on scraps of paper the backs of gloves and in the margins of EKG printouts She listened to her patients stories left food out for their pets and turned off the stove under their oxtail stews Once she read half a poem left in a dead woman s typewriter She learned about the history that brought ambulances into their current role as the caretakers of society s forgotten and spoke to her colleagues about their own experiences and perspectives Those reflections are collected here in a series of raw powerful essays about the state modern healthcare Sokol s life as a paramedic took her to three different counties the casinos and trailer parks of the Nevada desert the cozy beach town of Santa Cruz and eventually the crowded tenements of San Francisco s Tenderloin district There are no clear villains or heroes in Sokol s world only a group of patients and medics who are doing their best in a deeply broken system Combining impactful research compassionate reflections on her most memorable patients and the strong voices of her fellow paramedics Sokol takes readers deep into the everyday reality of 911 first responders offering insight empathy and a reminder of both the power and limitations of care
