Looking For Chengdu A Womans Adventures In China:

Looking for Chengdu Hill Gates,1999 *Looking for Chengdu* Hill Gates,1999 Memoir of the author s trips to the Sichuan Province of China during the late 1980s Her intention was to gain a deeper understanding of Chinese women and to learn what the Chinese defined as women s rights [Chinese Women - Living and Working](#) Anne McLaren,2005-08-05 Experts in gender politics media studies and anthropology discuss the impact of economic reform and globalization on Chinese women in family businesses management the professions the prostitution industry and domestic service **Women in China from Earliest Times to the Present** Robin Yates,2009-07-31 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan *Footbinding and Women's Labor in Sichuan* Hill Gates,2014-12-05 When Chinese women bound their daughters feet many consequences ensued some beyond the imagination of the binders and the bound The most obvious of these consequences was to impress upon a small child s body and mind that girls differed from boys thus reproducing gender hierarchy What is not obvious is why Chinese society should have evolved such a radical method of gender marking Gendering is not simply preparation for reproduction rather its primary significance lies in preparing children for their places in the division of labor of a particular political economy Drawing on extensive fieldwork and interviews with almost 5 000 women this book examines footbinding as Sichuan women remember it from the final years of the empire and the troubled times before the 1949 revolution It focuses on two key questions what motivated parents to maintain this custom and how significant was girls work in China s final pre industrial century In answering these questions Hill Gates shows how footbinding was a form of labor discipline in the first half of the twentieth century in China when it was a key institution in a now much altered political economy Countering the widely held views surrounding the sexual attractiveness of bound feet to Chinese men footbinding as an ethnic boundary marker its role in female hypergamy and its connection to state imperatives this book instead presents a compelling argument that footbinding was in fact a crucial means of disciplining of little girls to lives of early and unremitting labor This vivid and fascinating study will be of huge interest to students and scholars working across a wide range of fields including Chinese history oral history anthropology and gender studies **The Teahouse Under Socialism** Di Wang,2018-06-15 This text explores urban public life through the microcosm of the Chengdu teahouse Like most public spaces the teahouse was and still is an enduring symbol of Chinese popular culture stemming back

centuries and prevailing through political transformations modernization and globalization The time period covered begins basically with the establishment of the People's Republic in 1949 50 goes through the end of the Cultural Revolution and into the post Mao reform era
