John Crawford

Lord Kitchener And Winston Churchill The Dardanelles Commission Part I 1914 15:

Lord Kitchener and Winston Churchill Great Britain. Stationery Office,2000 The first report to Parliament published in early 1917 of the commission set up to review the Dardanelles campaign in which the British and their allies invaded the Gallipoli Peninsula during World War I 1914 18 The report was critical of the Cabinets conduct of the war and the urgent aim of the Commission was to prevent the war being lost The second report is published in this series as Defeat at Gallipoli the Dardanelles Commission Part II 1915 16

Lord Kitchener and Winston Churchill Tim Coates,2000

Churchill and the Dardanelles Christopher M. Bell,2017-03-10 The failed naval offensive to force a passage through the Straits of the Dardanelles in 1915 drove Winston Churchill from office in disgrace and nearly destroyed his political career For over a century the Dardanelles campaign has been mired in myth and controversy Many believe it was fundamentally misconceived and doomed to fail while others see it as a brilliant concept that might have dramatically shortened the First World War and saved millions of lives Churchill is either the hero of the story or the villain Drawing on a wide range of original documents Christopher M Bell shows that both perspectives are flawed Bell provides a detailed and authoritative account of the campaign s origins and execution explaining why the naval attack was launched why it failed and how it was transformed into an even more disastrous campaign on the Gallipoli peninsula He untangles Churchill s complicated relationship with Britain s admirals politicians and senior civil servants and uncovers the machinations behind the bitter press campaign in 1915 to drive him from power Churchill and the Dardanelles explores the origins of the myths surrounding the ill fated campaign and provides the first full account of Churchill s tireless efforts in the decades after 1915 to refute his legion of critics and convince the public that the Dardanelles campaign had nearly succeeded Largely by his own exertions Churchill ensured that the legacy of the Dardanelles would not stop him from becoming Prime Minister in 1940

British Culture and the First World War Toby Thacker,2014-09-25 The First World War has been mythologized since 1918 and many paradigmatic views of it that it was pointless that brave soldiers were needlessly sacrificed are deeply embedded in the British consciousness More than in any other country these collective British memories were influenced by the experiences and the work of writers painters and musicians This book revisits the British experience of the War through the eyes and ears of a diverse group of carefully selected novelists poets composers and painters It examines how they reacted to and portrayed their experiences in the trenches on the Western Front in distant theatres of war and on the home front in words pictures and music that would have a profound influence on subsequent British perceptions of the war Rupert Brooke Vera Brittain Richard Nevinson Paul Nash Edward Elgar and T E Lawrence are amongst the figures discussed in this original exploration of the First World War and British collective memory The book includes illustrations and maps to aid further study and research

Winston Churchill Soldier Douglas S. Russell,2012-11-19 As a young man Winston Churchill set out to become a hero to make a name for himself in the public eye as a soldier and so make possible a life of politics and statesmanship There were many chances

to fail and many close calls in the face of sword spear and bullet along the way Yet Churchill survived and succeeded an early measure of his courage and stubborn will that the world would come to know so well in the Second World War This is the first full length fully researched biography of Churchill s colourful military career Using an unrivalled range of sources and with previously unpublished photographs and detailed maps by Sir Martin Gilbert it brings to life Churchill s motives abilities experiences successes and failures and his unswerving sense of destiny as an officer in the British Army The result is a story to echo the man himself rich in action courage charismatic self belief patriotism and humour Making extensive use of the contemporary accounts of Churchill and his fellow soldiers and archival documents from three continents illustrated with many maps and previously unpublished photographs Douglas S Russell vividly brings to life the military career of the vigorous young officer of hussars who later became the greatest Briton of the twentieth century From Sandhurst to the mountainous North West Frontier of India to the charge of the 21st Lancers at Omdurman from the South African veldt to the deadly trench warfare of the Great War the author whom Sir Martin Gilbert calls a keen portraitist tells the gripping story of Churchill s army life with careful attention to historical detail and all the drama that the real life adventures of his subject deserve

Churchill and Sea Power Christopher M. Bell, 2014-05 The first major study of Winston Churchill s record as a naval strategist and his impact as the most prominent guardian of Britain s sea power in the modern era

Churchill on the Far East in the Second World War C. Wilson, 2014-08-05 Cat Wilson brings together two strands of historical scholarship Churchill s work as a historian and the history of WWII in the Far East Examining Churchill s portrayal of the British Empire s war against Japan as set down in his memoirs it ascertains whether he mythologised wartime Anglo American relations to present a special relationship

Climax at Gallipoli Rhys Crawley, 2014-03-19 Gallipoli the mere name summons the story of this well known campaign of the First World War And the story of Gallipoli where in August 1915 the Allied forces made their last valiant effort against the Turks is one of infamous might have beens If only the Allies had held out a little longer pushed a little harder had better luck Gallipoli might have been the decisive triumph that knocked the Ottoman Empire out of the First World War But the story is just that author Rhys Crawley tells us a story Not only was the outcome at Gallipoli not close but the operation was flawed from the start and an inevitable failure A painstaking effort to set the historical record straight Climax at Gallipoli examines the performance of the Allies Mediterranean Expeditionary Force from the beginning of the Gallipoli Campaign to the bitter end Crawley reminds us that in 1915 the second year of the war the Allies were still trying to adapt to a new form of warfare with static defense replacing the maneuver and offensive strategies of earlier British doctrine In the attempt both the MEF at Gallipoli and the British Expeditionary Force on the Western Front aimed for too much and both failed To explain why Crawley focuses on the operational level of war in the campaign scrutinizing planning command mobility fire support interservice cooperation and logistics His work draws on unprecedented research into the files of military organizations across the United Kingdom and Australia The result is a view

of the Gallipoli Campaign unique in its detail and scope as well as in its conclusions a book that looks past myth and distortion to the facts and the truth of what happened at this critical juncture in twentieth century history

Reconsidering Gallipoli Jenny Macleod, 2004-09-04 In Australia Anzac Day the anniversary of the first landings at Gallipoli is one of the most important dates in the national calendar Yet in Britain the campaign is largely forgotten The key to this contrast lies in the way in which the campaign s history has been recorded To many Australians the Anzac legend is a romantic war myth that proclaims the prowess of Australian participants in the campaign It is an exercise in nation building In Britain the campaign is also remembered in romantic terms but the purpose here is to assuage the pain of defeat Reconsidering Gallipoli broadens the debate over the cultural history of the First World War beyond the Western Front The final chapter traces the influence of the early accounts on subsequent portrayals including Alan Moorehead s 1956 book *Beans* post 1965 rehabilitation Peter Weir s 1981 film and revisionist attacks on the legend

Experience of a Lifetime John Crawford, 2016-04-01 The First World War is widely conceived as a pointless conflict that destroyed a generation Petty squabbles between emperors pushed na ve young men into a nightmare of mud and blood that killed millions and left scarred and embittered survivors However the ongoing reinterpretation of the First World War reveals that matters were rather more nuanced and complex Hardship and death were all too common but there were positive experiences too Vast numbers of people for example travelled to new parts of the world and encountered new cultures inspiring a sense of wonder and respect Military tactics were improved and great military commanders of the inter war and Second World War periods came to prominence during the First World War The conflict also had a formative influence on politicians writers artists union leaders businessmen and some ethnic minorities who used their participation to press for equal rights and full citizenship This book s 16 chapters written by a range of leading New Zealand and international historians explains how

British Battles of World War I, 1914-15 Tim Coates, 2000 Uncovered Editions are historic official papers which have not previously been available in a popular form The series has been created directly from the archive of The Stationery Office In London and the books have been chosen for the quality of their story telling This edition focuses on dispatches the British Army during World War I

Arming the Western Front Roger Lloyd-Jones, M.J. Lewis, 2016-06-10 The First World War was above all a war of logistics Whilst the conflict will forever be remembered for the mud and slaughter of the Western Front it was a war won on the factory floor as much as the battlefield Examining the war from an industrial perspective *Arming the Western Front* examines how the British between 1900 and 1920 set about mobilising economic and human resources to meet the challenge of industrial war Beginning with an assessment of the run up to war the book examines Edwardian business state relations in terms of armament supply It then outlines events during the first year of the war taking a critical view of competing constructs of the war and considering how these influenced decision makers in both the private and public domains This sets the framework for an examination of the response of business firms to the demand for shells more shells

and their varying ability to innovate and manage changing methods of production and organisation The outcome a central theme of the book was a complex and evolving trade off between the quantity and quality of munitions supply an issue that became particularly acute during the Battle of the Somme in 1916 This deepened the economic and political tensions between the military the Ministry of Munitions and private engineering contractors as the pressure to increase output accelerated markedly in the search for victory on the western front The Great War created a dual army one in the field the other at home producing munitions and the final section of the book examines the tensions between the two as the country strove for final victory and faced the challenges of the transition to the peace time economy

The Siege of the Peking Embassy, 1900 Sir Claude Maxwell MacDonald, 2000 Account of the lives of diplomats stranded inside the Legation buildings in Peking during the Boxer Uprising Told through diplomatic papers and the diary of the British ambassador in Peking Sir Claude MacDonald

Gallipoli Peter Hart, 2011-10-07 A gripping provocative account of the WWI Battle of Gallipoli one of the most tragic battles in history

Mr Hosie's Journey to Tibet, 1904 Sir Alexander Hosie, 2001 In 1904 Alex Hosie the British consul in Chengtu now Chengdu China set out on a three month round trip to Ning Ching on the eastern border of Tibet In addition to describing the perils of the journey he gives a detailed account of the countryside and its flora and fauna To the west of Ta chien lu now Kangding the people their houses clothing food language and religion are to all intents and purposes Tibetan and he provides a fascinating description of their customs and way of life

The Siege of Kars, 1855 William Fenwick Williams, 2000 In 1855 while the British Army was fighting alongside the French and Turkish armies in The Crimean War a little known but serious siege was taking place in Kars in Eastern Turkey The city of Kars is close to Azerbaijan in the Russian Caucasus During the war the British were giving military aid to the Turkish by lending them generals to help organize and strengthen their garrisons General Williams arrived in Kars in late 1854 having been appointed British Military Commissioner with the Turkish Army in Asia He soon began organizing the troops there although his repeated requests for supplies and reinforcements were met with bureaucracy and delay These despatches concern the siege date from May 1855 General Williams account tells a sorry tale of heroism and thwarted hope Uncovered Editions are historic official papers now available in popular form

Winston S. Churchill: The Challenge of War, 1914-1916 Martin Gilbert, 2015-04-06 Volume three of this authoritative Churchill biography chronicles his years of triumphant leadership in the Admiralty during World War I Acclaimed British historian Sir Martin Gilbert continues the official biography of Sir Winston S Churchill the eventful period between 1914 and 1916 with a full account of his achievements as first lord of the Admiralty during the Great War These include Churchill s efforts to prolong the siege of Antwerp his support for the use of air power and his part in the early development of the tank It shows the forcefulness with which he argued for an offensive naval policy first against Germany then against Turkey Gilbert examines the political crisis of May 1915 during which the Conservative Party forced Asquith to form a coalition government The Conservatives insisted that Churchill leave the center

of war policymaking for a position of increasing political isolation In the next seven months while the Gallipoli campaign was being fought Churchill served as chancellor of the Duchy of Lancaster with no authority over military or naval policy Resigning from the cabinet in November 1915 Churchill was appointed lieutenant colonel commanding an infantry battalion in the trenches of the Western Front In May 1916 he returned from the trenches hoping to reenter political life but his repeated attempts to regain his once substantial influence were unsuccessful A milestone a monument a magisterial achievement rightly regarded as the most comprehensive life ever written of any age Andrew Roberts historian and author of *The Storm of War* The most scholarly study of Churchill in war and peace ever written Herbert Mitgang *The New York Times*

Eden to Armageddon Roger Ford, 2011-08-15 The definitive and epic account of World War I in the Middle East The Great War in the Middle East began with an invasion of the Garden of Eden and ended with a momentous victory on the site of the biblical Armageddon For the first time the complete story of this epic bloody war is now presented in a single definitive volume In this inspired new work of history Roger Ford describes the conflict in its entirety the war in Mesopotamia which would end with the creation of the countries of Iran and Iraq the desperate struggle in the Caucasus where the Turks had long standing territorial ambitions the doomed attacks on the Gallipoli Peninsula that would lead to ignominious defeat and the final act in Palestine where the Ottoman Empire finally crumbled Ford ends with a detailed description of the messy aftermath of the war and the new conflicts that arose in a reshaped Middle East that would play such a huge part in shaping world affairs for generations to come *Escape from Germany, 1939-45* Aidan Crawley, 2001 Of the ten thousand prisoners of war held by the Germans during World War II only 30 successfully managed their way to Britain or a neutral country After 1945 many escapees and PoW s were interviewed by the government and a file built up of their experiences and their efforts These files were kept secret for nearly 40 years during the Korean War and Cold War as they contained evidence of enterprise and resilience that could still be useful to the enemy This book contains extracts from that evidence as it was compiled by the author Aidan Crawley himself a PoW RAF officer and MP Die Briten und Europa Brendan Simms, 2019-03-25 Die Briten und wir Warum der Brexit nicht das Ende der britisch europ ischen Partnerschaft sein wird Europa hat in der Geschichte Gro britanniens stets eine wichtige Rolle gespielt Seit Jahrhunderten mischen sich die Briten mit Lust in die Geschehnisse der europ ischen Nachbarstaaten ein und werden wiederum von den Ereignissen dort beeinflusst In seiner fulminanten Geschichte der tausendj hrigen turbulenten Beziehung zwischen den Briten und Europa zeigt Brendan Simms ebenso faktenreich wie unterhaltsam warum man die eine Seite des rmelkanals nicht ohne die andere denken kann Sein Buch b ndelt die Glanzlichter und die Tiefpunkte der britisch europ ischen Geschichte vom Mittelalter bis zum Brexit und ist ein eindrucksvolles Pl doyer f r eine enge Partnerschaft auch ber das Ausscheiden Gro britanniens aus der EU hinaus
