Lori For President:

Lori for President Elizabeth Van Steenwyk,1988-12 **Shifting Sands** Reuben Okorie,2019-12-10 Welcome to the uncanny world of obduracy and obstinacy and their attendant skirmishes that resulted in the collapse of a republic Once you start reading this book you will not drop it until the last page is turned Mazonia was a vast continent of many tribes with diverse languages and cultures It had everything that could make it prosperous such as temperate climate and rich mineral resources However those resources were not tapped instead the people were content with sustenance agriculture and local markets Luminia on the contrary was a developed continent seeking to grow her industrial base When the Luminians got to know of a continent called Mazonia that remained uncharted with untapped mineral resources the floodgate for scramble for her lands was flung open For the Luminians the desire to grab as much Mazonian lands as possible became a do or die all comers affair in which Mazonian lands were unconscionably shared and the ethnic nationalities dispersed and dismembered As a result those unfortunate natives found themselves belonging to different Luminian countries carrying different colonial baggage and subjected to burdensome alien practices and regulations overnight Megaterra an intensely obdurate and perfidious nation was one of the Luminian nations that vied for Mazonian lands and she grabbed the largest and the most lucrative chunk inhabited by three discordant big tribes each of them big enough to be a country of its own Megaterra conquered colonized and amalgamated the disagreeable tribes into one country without due diligence and named it Dimakanga after the mighty river that snaked through it Compounded by the colonizer s divide and rule policy the forced unholy alliance did not go down well with the people and the patchwork quilt began to give way Three grueling wars of self determination were fought which forced the Republic of Dimakanga to metamorphose into three distinct sovereign nations

Telekinetic Golf and the President's Demise Ronald J. Fischer,2021-10-15 Stuart Bryson is a good but not great golfer who suddenly gets telekinesis and uses it to win professional golf tournaments eventually making a lot of money He loves to dance and meets a beautiful girl who also loves to dance They fall in love He likes to hike for exercise and one time he has to use his telekinetic power to defend himself injuring his attackers He eventually reports the incident to the police but they have reported it before he has and accuse him of attacking them Since he is unharmed and they are the sheriff tries to put him in jail He refuses and runs away He is now a wanted man During the story it is found that the president of the United States is a fool and does many stupid things People hope he will lose in the upcoming election The president eventually loses the election but refuses to admit defeat He has a large following of White supremacists who try to take over the government making it into a dictatorship Stuart and his friends who have also acquired telekinesis in strange ways fight them off The book is action packed with incidents causing him to use his telekinetic powers to defend himself and attack the supremacists

[The Grey House Dc](#) Duke Tipton,2012-04 THE GREY HOUSE DC By Duke Tipton Many lavish parties at the Grey House DC are covered by the press and other news media There are many little private parties that the public never hears about The ability to put on a rip roaring party seems to be a requirement for The Grey House DC occupiers It has been said that there are many things wrong with our Government but it still is the best government in the world The lobbying corruption in DC is a sore

spot on our government's veneer. Several cases of improper lobbying influences are discussed in this book. The Town Hall Meetings are a good channel for the politicians to increase their presence among the voters. On the other hand, The Town Hall Meetings give the voters an opportunity to express concerns and grievances that they feel the politician can correct. Although this work is a fictional satire, many of the stories are taken from real-life events that were published in the syndicated newspapers and slick cover magazines. When Lori Patin first received her diagnosis of Parkinson's at age fifty-five, she wanted to cry until she died. When she made up her mind to fight the disease, her husband and caregiver Bob took a stand beside her. In *Lori's Lessons*, author Carol Ferring Shepley tells the story of the Patins' love throughout the course of the disease and how it affected their lives. But this memoir is about much more than Lori's struggle against Parkinson's disease, a progressive, incurable degenerative disorder that affects the central nervous system. It's also the story of someone who has faced a terrible challenge, met it head-on, and refused to concede. In the struggle, she has learned vital lessons about life itself. *Lori's Lessons* shares how, for fifteen years, Lori fought relentlessly, but in the summer of 2011, she lay in a coma. At the time, Bob thought the best he could hope for was to bring her home with a nurse. Thanks to a miraculous remission, however, today she doesn't even have tremors. Offering inspiration and hope, *Lori's Lessons* presents a 360-degree perspective on how Lori attacked the disease. She has taken many pharmaceuticals, but the two strongest drugs in her regimen are hope and faith.

The Dead are Rising, Jeff Norton, 2012-11-01. The Changosphere offers a safe haven for the Uploaded, and with more processing power than the Southern Corner could ever offer, the Uploaded begin to grow, develop, and yearn to be alive again. With the Changosphere offering competition to the Metasphere, more and more avatars take up residency in it. But the Uploaded begin to prey on live avatars, infecting them and their users with their personalities and becoming reborn in the real world. The dead are rising. Now reborn into the real world, the once-dead avatars will not let anyone shut down the Changosphere, the source of their rebirth. Meanwhile, Jonah Sam and Axel struggle to keep the Metasphere safe from Granger's assault on the Western Corner, which is housed in the old subway lines under New York City. But Jonah struggles with whether they are doing the right thing in fighting Granger; they face a more dangerous virtual world where millions of

Uploaded now roam freely stalking users for their virtual avatars and their real bodies Presidential Indiscretions Turner Joy, 2004-06-07 *Presidential Indiscretions* explores the life of the President and his closest advisors The chapters are glimpses into the world of politics deceit and promiscuity The book begs the question What happens when a political icon uses cruelty and promiscuity as a mechanism of control The President's past present and future relationships impact on all other main prominent characters throughout the book Experience the engaging satire and deception that is woven into each chapter This powerful mix of political and emotional intrigue is set against a backdrop of a Washington D C that few Americans ever see It will touch your heart with its realism warmth surprise sensuality and emotions of unparalleled love for power

Heaven on Earth Donna Nielsen Murphy, 2001-01-02 First came Shangri La Now Eluria We are racing down the path of death and destruction as if whoever reached rock bottom first would receive a crown of laurels instead of thorns We do not have to continue along this path There is another way There are teachers who can aid us men and women from around the world who will come and help us put an end to this insanity this anger this hatred this war They are holy people who see only the holiness in others but they will not come unless we ask them Ladies and gentlemen I propose that we ask them Paula Keelor addressing the National Assembly of Eluria Will Paula succeed in convincing her countrymen on this war torn island off the coast of Africa to sign a petition requesting a spiritual intervention What happens next and what happened before How did Paula and Kyle Hansen the American who aids Paula in her quest for peace as he quests for love evolve to arrive at this moment And who on earth is Frankee Waa *Heaven on Earth* a novel for the 21st century presenting a compelling alternative to war www.heavenearthnovel.com

Black Enterprise, 1980-11 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Taking Trade to the Streets** Susan Ariel Aaronson, 2011-02-16 In the wake of civil protest in Seattle during the 1999 World Trade Organization meeting many issues raised by globalization and increasingly free trade have been in the forefront of the news But these issues are not necessarily new *Taking Trade to the Streets* describes how so many individuals and nongovernmental organizations came over time to see trade agreements as threatening national systems of social and environmental regulations Using the United States as a case study Susan Ariel Aaronson examines the history of trade agreement critics focusing particular attention on NAFTA the North American Free Trade Agreement between Canada Mexico and the United States and the Tokyo and Uruguay Rounds of trade liberalization under the GATT She also considers the question of whether such trade agreement critics are truly protectionist The book explores how trade agreement critics built a fluid global movement to redefine the terms of trade agreements the international system of rules governing trade and to redefine how citizens talk about trade The terms of trade is a relationship between the prices of exports and of imports That movement which has been growing since the 1980s transcends borders as well as longstanding views about the role of government in

the economy While many trade agreement critics on the left say they want government policies to make markets more equitable they find themselves allied with activists on the right who want to reduce the role of government in the economy Aaronson highlights three hot button social issues food safety the environment and labor standards to illustrate how conflicts arise between trade and other types of regulation And finally she calls for a careful evaluation of the terms of trade from which an honest debate over regulating the global economy might emerge Ultimately this book links the history of trade policy to the history of social regulation It is a social political and economic history that will be of interest to policymakers and students of history economics political science government trade sociology and international affairs Susan Ariel Aaronson is Senior Fellow at the National Policy Institute and occasional commentator on National Public Radio s Morning Edition
