Los Ninoschildren:

Para Los Niños-for the Children Frank Sotomayor,1974 **Los Niños** Maria Victoria Murua,2011-04-27 They are little children in little bodies and with little children mentalities but they have committed adult size crimes like armed robbery assault rape and even murder They cant be housed with juveniles that have committed petty offenses and they cant be housed with adult delinquents They are then incarcerated in a limbo of sorts the Juvenile Adult Remand Detention System in adult facilities but out of sight and sound of the adults They must however abide by the same rules Some of them exhibit tough exteriors but many times their childish minds cannot comprehend even what they have done It is then that the Detention Officers confront the child el nio who weeps and mourns for his mother his family and his lost future Los Nios tells the story of only 31 of these children There are hundreds of thousands of them nationwide Along with our child prodigies and our honor students they also are Americas future *Bilingual Children's Books in English and Spanish / Los Libros Bilingues para ninos en Ingles y en Espanol* Doris Cruger Dale,2011-12-20 To fill the needs of a growing Hispanic market there has been a dramatic increase in the number of bilingual books being published in recent years But they have been appearing for many years This bibliography lists more than 400 children s titles mostly picture books with alphabet and counting books also included that feature text in both Spanish and English in the same volume Annotations to the entries provide a summary of each book s contents along with information on awards the book has received and a list of reviews gathered from Children s Book Review Index This bilingual edition includes introduction table of contents and subject indexing in both English and Spanish En los ultimos anos los editores estadounidenses han tratado de ponerse al dia en lo que respecta al mercado de publicaciones en espanol en auge constante Y lo han hecho basicamente incrementando el lanzamiento de libros bilingues para ninos Cabe matizar sin embargo que este tipo de publicaciones ha sido una practica vigente desde hace anos El presente compendio bibliografico incluye mas de 400 titulos bilingues para ninos la mayoria de ellos libros de ilustraciones ademas de publicaciones relativas a las letras del alfabeto y el aprendizaje de los numeros Las notas que se incluyen en esta obra resumen los contenidos de cada libro junto a resenas y premios relativos a los mismos **Children's Culture and Citizenship in Argentina** Lauren Rea,2023-11-08 Argentina s Billiken was the world s longest running children s magazine publishing 5144 issues over one hundred years It educated and entertained generations of schoolchildren and came to occupy a central role in Argentine cultural life This volume offers the first academic history of the whole lifespan of Billiken as a print magazine through to its transition into a digital brand As an editorial project founded at the time of the massification of print culture Billiken was in the business of creating future citizens From its transnational and literary beginnings Billiken quickly became organised around the school year offering valuable extra curricular material aligned to the patriotic drivers of state schooling Billiken told the story of the Argentine nation cyclically and repeatedly gaining such momentum that it became part of the nation s story itself This volume adopts a multi disciplinary approach to take account of

the many different facets of Billiken's content born from a combination of ideological commercial political and cultural drivers This history of Billiken examines the changes contradictions and continuities in the magazine over time as it responded to political events adapted to new commercial realities and made use of technological advances It explores how Billiken magazine not only reflected society but shaped it through its influence on childhoods children's culture and education and provides an alternative window onto the history and politics of a tumultuous hundred years for Argentina

The Child in Contemporary Latin American Cinema Deborah Martin, 2019-01-04 What is the child for Latin American cinema This book aims to answer that question tracing the common tendencies of the representation of the child in the cinema of Latin American countries and demonstrating the place of the child in the movements genres and styles that have defined that cinema Deborah Martin combines theoretical readings of the child in cinema and culture with discussions of the place of the child in specific national regional and political contexts to develop in depth analyses and establish regional comparisons and trends She pays particular attention to the narrative and stylistic techniques at play in the creation of the child s perspective and to ways in which the presence of the child precipitates experiments with film aesthetics Bringing together fresh readings of well known films with attention to a range of little studied works The Child in Contemporary Latin American Cinema examines films from the recent and contemporary period focussing on topics such as the death of the child in street child films the role of the child in post dictatorship filmmaking and the use of child characters to challenge gender and sexual ideologies The book also aims to place those analyses in a historical context tracing links with important precursors and paying attention to the legacy of the child s figuring in the mid century movements of melodrama and the New Latin

American Cinema **White House Conference on Children--child Development Recommendations** United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Children and Youth,1971 Children's Environmental Health United States. Good Neighbor Environmental Board,2004 *Every Right for Every Child* Enakshi Ganguly Thukral,2020-11-29 Despite some acknowledgement over the years of the significance of seeing children as rights holders children s concerns continue to run the risk of not being considered political and mainstream they continue to be viewed as extensions of adults or simply as members of families and communities This when the reality is that children are citizens the minute they are born and entitled to as much attention if not more than adults given their age and vulnerability Concerned with the mainstreaming of children s interests in policy making this book raises such questions as What is good governance vis vis children What are the standards and indicators Can there be one answer for this question that is applicable to all countries In order to arrive at a better understanding of what good governance for children means and how the realization of the political cultural social and civil rights of children may be achieved the book draws on the diverse and yet comprehensive body of knowledge that has developed over the years from initiatives taken by organisations across the world who work with policy makers to make governance systems more accountable and responsive to the well being of children as citizens in themselves simultaneously empowering children to take part in decision making processes that impact their lives **Library Service to Spanish Speaking Patrons** Sharon Moller,2001-01-15 If your library serves a Latino population you ll want this book It will help you better serve the needs of Spanish speaking patrons of all ages The author gives background information on various Hispanic groups explaining some of the cultural differences that can lead to misunderstanding She then offers a variety of program and collection building ideas A list of distributors of Spanish language materials books periodicals AV materials computer and other educational resources is provided as well as Web site addresses of Spanish language sites Vocabulary lists for library and computer related words and phrases and guidelines for correctly writing Spanish words are also included **People of Good Will** Robert J. Kolesar,2011 Los Ni os is a private non profit organization which has worked for 35 years in the Tijuana and Mexicali border regions of Mexico next to southern California Over that time its work has extended dramatically starting with relief efforts aimed at helping children to community development centered on nutrition and health to educational and financial programs building self reliance
