Lost Diaries Of Frans Hals A Novel:

The Lost Diaries of Frans Hals Michael Kernan, 1995-03-15 Diaries found in a Long Island garage just might be the work of famed Dutch portrait painter Frans Hals or they may be clever forgeries When a Columbia graduate student is hired to translate and corroborate he finds a world rich with color drama and emotion **The Signature Style of Frans Hals** Christopher D.M. Atkins, 2025-10-01 This richly illustrated study is the first to consider the manifold functions and meanings of Hals's distinctive handling of paint Atkins explores the uniqueness of Hals's approach to painting and the relationship of his manner to seventeenth century aesthetics He also investigates the economic motivations and advantages of his methods the operation of the style as a personal and workshop brand and the apparent modernity of the artist's style The book seeks to understand the multiple levels on which Hals's consciously cultivated manner of painting operated for himself his pupils and assistants his clients and succeeding generations of viewers As a result the book offers a wholly new understanding of one of the leading artists of the Dutch Golden Age and one of the most formative painters in the history of art in the Western tradition It also provides a much needed interrogation of the interrelationships of subjectivity style authorship methods of artistic and commercial production economic consumption and art theory in early modernity Ekphrastic encounters David Kennedy, Richard Meek, 2018-12-05 This book offers a comprehensive reassessment of ekphrasis the verbal representation of visual art Ekphrasis has been traditionally regarded as a form of paragone competition between word and image This interdisciplinary collection of essays seeks to complicate this critical paradigm and proposes a more reciprocal model of ekphrasis that involves an encounter or exchange between visual and textual cultures This critical and theoretical shift demands a new form of ekphrastic poetics which is less concerned with representational and institutional struggles and more concerned with ideas of ethics affect and intersubjectivity Ekphrastic encounters brings together leading scholars working in the field of word and image studies and offers a fresh exploration of ekphrastic texts from the Renaissance to the present day Taken together the chapters establish a new set of theoretical frameworks for exploring the ekphrastic encounter

Singular Women Kristen Frederickson, 2003-03-04 Contemporary art historians all of them women probe the dilemmas and complexities of writing about the woman artist past and present These 13 essays address the work and history of specific artists beginning with the Renaissance and ending with the present day *The Author as Character* A. J. Hoenselaars, 1999 Many fictional works have real historical authors as characters Great national literary icons like Virgil and Shakespeare have been fictionalized in novels plays poems movies and operas This fashion might seem typically postmodern the reverse side of the contention that the Author is Dead but this collection of essays shows that the representation of historical authors as characters can boast of a considerable history and may well constitute a genre in its own right This volume brings together a collection of articles on appropriations of historical authors written by experts in a wide range of major Western literatures **BOOK JACKET** Civilization, 1995 The magazine of the Library of Congress **Now Read this** Nancy Pearl, 1999 Offers

an annotated listing of 1 000 acclaimed or award winning novels each with a plot summary indication of suitability for a discussion group list of subject headings and recommendations for similar titles
